

**DALLASTOWN BEAUTIFICATION MINUTES
JUNE 16, 2009**

Meeting called to order @ 7:05 pm.

MEMBERS PRESENT:

Blaine Shaffer – Chair, Bev Scott – Secretary, Jean Capatch, Donna Myers, Emery Pajer, Connie Werner, Lance Wolf and Pauline Wolf.

MEMBERS ABSENT: Rick Bogart – Vice Chair

VISITORS: Emery brought Deb Mayer, his neighbor, along to the meeting. Deb is considering joining Dallastown Beautification.

MINUTES: N/A

PROJECTS:

Flower Planters @ Historical - after discussion, we decided to repair mortar in the half-moon planters at the Dallastown Area Historical Society in the front of their building. Beautification would do the work and Historical would pay for the supplies. We set the date for July 11th @ 9:00 am to do the work.

Welcome Signs – Emery presented some really good photos and info on the three existing Welcome Signs showing what work will need to be done. Bev said the signs are approximately 10 years old and they had been purchased by the Borough from Creation Cabinetry in Red Lion, near Cape Horn. Emery knows where he can get some paint at a really good deal to use on the signs. He will proceed with that.

Trees - Jean will gather information regarding “street trees”. Street trees have roots that do not disturb the surrounding concrete, do not get too tall (so as to not interfere with electrical/phone wiring), do not get too wide (so as to not interfere with passing traffic), and do not have a lot of mess involved (for future maintenance by the resident).

Replacement Banners for Telephone Poles - Blaine will bring information along to the August meeting.

NEXT MEETING:

The next Dallastown Beautification Committee Meeting will be on Tuesday, July 21st. Our chair, Blaine Shaffer, will not be in attendance. He will be on a cruise.

ADJOURNMENT:

Motion to adjourn by Connie and 2nd by Pauline @ 8:45 pm. Approved unanimously.

Approval: _____ **Date:** _____

Minutes Submitted by Bev Scott.
