**PROJECTS:**

**Flower Planters @ Historical -** Beautification would do the work and Historical would pay for the supplies to repair mortar in the half-moon planters at the Dallastown Area Historical Society in the front of their building. We will meet Aug 18<sup>th</sup> @ 3:00 pm to do the work.

Bev will check with the Boro to see if they have a Grinder, Air Hammer, Push Broom & Shop Vac we could borrow. Bev will bring a 5 gal bucket. Connie will buy Pointers & Trowel.

Everyone should bring gloves & safety glasses.

**Welcome Signs –** On hold

**Trees –** We will need to advertise that Beautification is doing this again. Then we need to have residents register. When we know how many trees are wanted by the residents, we can ask Borough Council for some funds and we will need to work on fundraisers. We should investigate for a grant also, However lately grants are very difficult to obtain.

**Replacement Banners for Telephone Poles -** Later – Banner should be installed lower on the pole, and towards the street side and not the sidewalk side of pole. Blaine will bring information along to the September meeting.

**Bumper Stickers -** Emery will check into purchasing the oval vehicle bumper/window stickers similar to those for Outer Banks (OBX) and Rehoboth Beach (RB). We will order some for Dallastown, PA (DAL) and for Red Lion (RL)

**CARNIVAL:**

Beautification will have a stand at the Dallastown Carnival selling our new vehicle bumper stickers as a fund raiser.

We will work out the coverage of helpers for the stand.  
We also need to make signs and flyers for, membership, the trees and banners.

**GOALS / BUDGET:**

We need to prepare our Goals For 2010 with approximated costs and present to Borough Council to request help so that our Committee can take steps to beautify Dallastown Borough. This would be in addition to fund raisers and any grant monies.

**NEXT MEETING:**

The next Dallastown Beautification Committee Meeting/Workshop will be on Tuesday, Aug 18<sup>th</sup> @ 3:00 pm at the Dallastown Area Historical Museum to work on the half moon planters in the front of their building. The mortar in the bricks needs attention. Beautification will do the work and Historical will pay for the expenses.
