

**DALLASTOWN BEAUTIFICATION MINUTES
AUGUST 18, 2009**

We had a Work Session instead of a Meeting. We did work on the planters in the front of the Dallastown Area Historical Museum.

The mortar was very bad in the planters and we ended up tearing down the one ½ moon planter to the left. We bought some mortar mix and rented a grinding wheel to try to repair the planters but their condition had deteriorated beyond repair.

The other ½ moon planter will also need to be taken down as soon as some members are available and the weather cooperates.

MEMBERS PRESENT:

Emery Pajer – Vice Chair, Bev Scott – Secretary, Jean Capatch & Connie Werner

MEMBERS ABSENT: (Work Session started @ 3:00 during working hours)
