

MAYOR'S REPORT
JULY 12, 2010

- 06/14-20/10 Did not attend Dallastown Council Meeting – out of town – RB, DE
- 06/14-20/10 Somewhere in this period of time while I was out of town, my front porch swing was stolen. It was large, very heavy and would have been very difficult to take down since the connectors on the house are very tight. I called the police and they came out. However, I don't ever expect to recover it. But, if you would see a large, treated lumber porch swing (made by the Amish) with slanted back & rolled front please advise. I even had the front porch swing on and that didn't help.
- 06/21/10 Attended Dallastown Recreation Board Meeting held at the park. My friend from York International came to look at repairing the Rec ice maker. He thinks he can repair it. More on this later.
- 06/26/10 Proclamation prepared and delivered to Victorian Villas for Margaret Geesey's 100th Birthday Celebration.
- 06/28/10 Attended Dallastown Council Meeting.
- 07/01/10 Attended Dallastown Area Historical Meeting.
- 07/06/10 Attended Dallastown Recreation Meeting which was moved from Monday to Tuesday due to the holiday.
- 07/08/10 Attended York Area Regional Police Commission. They had promotions of 4 officers. Also I received last month's Police Activity Report, but not the previous one that wasn't completed in time for that meeting. I told them I would still like a copy of said report so I can watch if the occurrences are charged to the correct municipality. Break-downs are by address of occurrences. For the month prior to the two above I found several errors, so I want to watch this closely.
- 07/08/10 Administered Oath of Special Fire Police to Elvera Kohler.
- 07/10/10 Recreation's Camping in the Park was cancelled due to the fact that there was only one sign up for the event and in addition it rained.
- 07/10/10 Here's another report on my Marine grandson, Justin Walker. He is now in Okinawa Japan. He will probably be there for 6 – 7 months. After he came back from Iraq the Marines told him he would be going to Afghanistan but now plans have changed and he is in Japan.
