Visitor Input:

Karen Hoyt-Stewart introduced Karen Cunnings to the board. Karen Cunnings works with the churches on the Christmas in Dallastown project. Karen Hoyt-Stewart suggested that the committee in charge of this event work through her with Karen Cunnings and her group. By having Karen Hoyt-Stewart act as liaison to the group Karen Cunnings is working with, will allow the borough and the churches to work together and there will not be any redundant efforts. The board agreed that this is a great idea and that we should do this. Karen Cunnings presented the board with a letter outlining the proposal. A copy of the proposal is attached hereto and made a part of these minutes.

Brad Alfano from Heritage Lawn & Landscape Care was introduced to the board. He presented the board with his contract for the maintenance and care of the park. The contract was approved by the board last year. A decision on the additional VMS treatments in the spring, summer and fall were tabled until our next meeting. A copy of the contract is attached hereto and made a part of these minutes.

Randy Hartwigsen was previously on the board and came to help with some of the upcoming events. His ideas and suggestions were extremely helpful to the new members of the board. He agreed to come to the Easter Egg Hunt and help set up and run the event. Everyone agreed that it would be nice if Randy considered getting back involved with our board.
