Best Practices

- Log into your meeting from a distraction-free, quiet environment. Avoid eating, room noise, music, etc. Microphones can pick-up a lot of background noise.
- Take turns and do not interrupt each other. Be respectful and use active listening skills. Take turns speaking, when appropriate. Avoid talking over each other. Utilize social skills.
- If you are going to participate with video and audio enabled, please dress appropriately for the meeting and make sure there is nothing behind you that you don't want others to see. Make sure you are in a common area, and not the bedroom or bathroom.
- Join the meeting 5-10 minutes early. This provides the time to set your audio and video settings. Joining late can be distracting to others, or cause issues with your connection to the meeting.
