## *From the Desk of Mayor Meyers.....*

Hello, this is Mayor Meyers. I hope you had a great summer as I know I have!

We just finished the carnival and it appeared to be a big success. I worked at the Dallastown Historical stand this year, and I enjoyed seeing all the people who were there. Don't forget to stop in at the Historical Society, 118 E. Main St. on the first Sunday of every month to check out the history of Dallastown. They have many items you will enjoy seeing. They are also looking for new members if you would like to donate your time for a good cause.

The Borough can also use help for the upcoming Halloween parade and for Christmas in Dallastown. Both these events are always well received and attended, so be sure to make note of the dates and times. The dates are listed in this newsletter so please make sure you read through the whole newsletter for all of the information.

On the safety side of things the Borough has been quiet this year except for some car break-ins. The best way to protect yourself is to make sure you do not leave anything of value in your vehicles. I always like to repeat, "If you see anything that looks suspicious, please call the police as it is happening". Also, while you are driving around town, please be on the lookout for children on bikes. One young fellow rode right out of a parking lot without looking, and if I had not been driving very slowly, I could have hit him.

To close, I want to wish you a great fall season, and I hope you all have a happy Thanksgiving and Christmas!

Terry L. Meyers

Mayor

## **Penn Waste Holiday Collection Schedule...**

Holidays observed by Penn Waste, trash collection (trash, recycle and bulk pick up) will be shifted a day.  
 Any questions, please call Penn Waste 767-4456.

**2022**    *Thanksgiving Day:*    No change to Monday pick-up but Thursday pick up is shifted to Friday  
             *Christmas Day:*            No change to Monday pick-up or to Thursday pick up  
  
**2023**    *New Year's Day:*        No change to Monday pick-up or to Thursday pick up

**\*\*CHRISTMAS TREES CAN BE DISPOSED OF ANY THURSDAY AS A LARGE ITEM\*\***

**SIDEWALKS** – Snow/ice is to be removed from the sidewalks within 24 hours after a winter storm ceases. Properties at street intersections: **please** clear the snow that piles up at the sidewalk corners. This will help school children, the postal service and other pedestrians safely cross the street. We ask those who do not have sidewalks to follow this as well.

**PLOWING STREETS** – Please keep trees & shrubs cut back from the roadway, or the roadway may not be plowed. The snow plows will be plowing snow from “curb to curb” to remove as much snow from the streets as possible. This process takes time so please have patience and bear with us as we work to clear the streets as quickly as we can. When removing snow from your sidewalks, do not shovel the snow into the streets.

**\*\***In heavy snow storms, plows will be clearing driving lanes as quickly as possible and then will go back to work on clearing the sides/shoulders of the roads from curb to curb. Unfortunately, this sometimes pushes snow back on to your sidewalks which you may already have shoveled. If this occurs, we apologize for the inconvenience and added work that it may cause you, but it is essential to make our streets safe.

In the event of a **Snow Emergency**, announcements will be made on **WGAL-TV 8, FOX 43, ABC 27 WHTM, CBS 21, WARM 103.3, 96.1 WSOX, FROGGY 107.7, ROCKY 98.5** and the local newspapers.

**NO PARKING** will be allowed on the “snow emergency routes” when an emergency is declared. Vehicles that are not moved will be towed at the vehicle owner’s expense.

### ***Snow Emergency Routes:***

The following streets shall be declared snow emergency routes: (Streets are posted)

- Main St.
- South side of W. Maple St. from Borough Line to N. Walnut St.
- South side of E. Maple St. from N. Walnut St. to N. Park St.
- N. Walnut St. from Main St. to Maple St.
- S. Walnut (WEST SIDE ONLY) from Main St. to E. Gay St.

# When It Rains, It Drains

Understanding Storm Water  
and How It can Affect  
Your Money, Safety, Health,  
and the Environment

## What is Stormwater?

Stormwater is the precipitation that flows across the ground after it rains or when snow and ice melt.

Stormwater can become an issue as it picks up debris, dirt, and chemicals when it flows. It can also cause flooding that erodes stream banks. This polluted stormwater is collected in our storm sewer systems which are made up of pipes and roadside ditches. All of the stormwater collected eventually makes it to our streams, lakes, and wetlands. Since stormwater is not treated, the pollutants that have been collected make it back into our waters!

## What can we do to help?

- Properly dispose of hazardous waste, and never put them down the storm sewer drain.
- Pick up after pets and dispose of their waste properly.
- Use pesticides, fertilizers, and herbicides properly as to not create excess runoff.
- Install residential stormwater systems such as rain gardens or rain barrels that keep the stormwater on site and not into the storm sewer system.

**SATURDAY, NOVEMBER 5<sup>TH</sup>  
9:00 AM - 3:00 PM**

This event keeps getting bigger & better with each passing year. The main purpose for the event was to get people into Dallastown to support our local businesses. Since then it has grown by leaps & bounds, with record numbers each year. There are several businesses participating again this year, some old, some new.

SAFER York (Dallastown), American Legion, Dallastown Elementary School and our local churches (Christ Lutheran & Bethlehem United Methodist) will be filled with a multitude of vendors selling everything imaginable. Each venue will also offer food in case you're famished from all your shopping! Maps will be located at all five of the venues above, so pick one up and start your Christmas shopping early. And don't forget to get your map stamped at all five venues & three businesses to qualify for a prize. In 2021 we had enough donations to give away over 20 bags of prizes!!

Mark your calendar & join us for a great day!

Angie is an employee of WellSpan Health and managed by York County MH-IDD. We thank Angie for an incredible first year.

## K9 "Tango" WILL SOON GET A FRIEND

Electronics sniffing K9 "Tango" will soon have a K9 friend at the department. A School Resource K9 from Texas will be joining our team very soon. The new dog will collaborate with Officer Goodman to enhance the safety of our schools. Keep an eye on our website for updates and information. We will meet the new pup this Fall and hope to announce his/her name soon. **Mini stuffed- animal "Tango" dogs are now available at the department for sale, \$20 each. The proceeds will directly benefit the K9 program.**

## MOUNTED HORSE UNIT

We are in the process of creating a Mounted Unit for additional safety during planned events, protests, and crowd formations. One Horse and rider can do the work of several foot patrol officers while also allowing the mounted officer a visual height advantage over the crowd. This allows for a faster response and therefore a safer environment for everyone. We would also love to share the experience with the public by allowing stable visitations of the horse(s) and officers. This unit can only be possible with the support of our civic organizations, donations from businesses, persons involved in the equine industry, and supporters of law enforcement. Please check out our website to see how you may be able to assist. [www.ycrpd.org](http://www.ycrpd.org)

## DALLASTOWN EMA NEWS

As we approach the fall/winter season ....How prepared are you? Do you have your go-bag packed? If you need a copy of the list for your bag they are available at the Borough office. During extreme cold weather or winter storms, staying warm and safe can be a challenge. Winter storms can bring power failures, loss of communication services, and icy roads. To keep yourself and your loved ones safe including your pets, you should know how to prepare your home and car before a winter storm hits.

Create an emergency car kit: cell phone, charger, extra batteries, hats, coats, mittens, blankets, windshield scraper, battery powered radio with extra batteries, flashlight with extra batteries, water, snack food, first aid kit, necessary medication, tow chains/tow rope, tire chains, canned compressed air with sealant for emergency tire repair, cat litter or sand, road salt., booster cables or jumper cables, hazard or other reflectors, emergency flares or emergency distress flags, and road map.

Also, listen to weather forecasts, check supplies and bring your pets indoors if you can't provide adequate shelter to keep them warm; make sure they have access to unfrozen water. Have your car ready, have maintenance service on your vehicle as often as the manufacturer recommends.

Also make sure your generators are serviced. All family members have an I.C.E. kit, in case of an emergency contact list, and know your shelter locations. It is also important that all family members know how to dial 911 when there is a life threatening emergency. Checking on your neighbors and the elderly is always a good idea too. Check out the homeland security website for residential as well as our business community @ [www.ready.gov.com](http://www.ready.gov.com) to provide you with a preparedness toolkit.

If you are interested in preparedness training you can contact the Borough office at 717-244-6626. Training is free. Appointments can be made for me to come to your school, business, daycare, or residence. All our work is volunteer and rewarding.

Have a safe and happy fall/winter season.

Hello fellow community residents! I'm Brandon Wiley. The Post has been extremely busy over this past year within the community. Also, our Auxiliary with Wreaths across America, to supporting our Dallastown High School's JROTC Program. Our Son's Squadron has also been very busy with fundraising and various community volunteer work for our veterans.

Some events that will be coming up shortly; Sunday November 13<sup>th</sup>, will be our annual Veterans Day

Ceremony with guest speaker Mr. Bruce Bartz from the Bartz Brigade. Which is a local non-profit organization. They help veterans and brings awareness to helping veterans with their mental health. Please come out and join us for this wonderful ceremony. Also, in December, be on the lookout for our Annual Children's Christmas for the children of our community. A date will be posted on the marquee at the post on 57 West Main St. Also, the date and the time for this event will be posted on the Post's website to follow.

I want to take a second, and say Thank You, to every one of you that came out for our Memorial Day Parade and Ceremony at Union Cemetery. It was great to see everyone now that we can get out and back to some normalcy. Last but not least, I want to mention to all of the local Veterans of the Borough of Dallastown, if you're a veteran and have an "Honorable" discharge and have served at least one day of active duty, please come out and visit us. Join us! The American Legion is the World's largest Veteran's service organization. We are veterans helping veterans. Our mission is to help veterans with getting the benefits that they have fought for and rightfully earned. Our service officers are here to help you and work for you. Whether it's with VA disability, death benefits, burial benefits, property tax exemption and other benefits. We are here for you. Post 605 has and will always be a fixture and supporter of this awesome community. I urge you to come and be a member and help carry on the mission.

Kind Regards,

The program will help motivate you to get in great shape and allow you to walk safely and comfortably. Registration is required for participation. ## What does the Golden Connections Community Center offer?

Since our founding the goal of the Golden Connections Community Center has been to assist and empower the older adults of the Red Lion and Dallastown Area to remain part of a thriving community environment for as long as they are willing and able. The GCCC offers a wide range of free services and programs to seniors age 60 and above. Activities include those that respond to the social, cultural, economic, emotional, and physical needs of the older adult, thus encouraging independence, stimulating growth, alleviating loneliness, and providing volunteer opportunities. Counseling, referral services, and provision of home delivered and congregate meals are also an important part of our mission. You can come visit the Golden Connections Community Center Monday thru Friday from 7:30 a.m. to 2:30 p.m. at 20 Gotham Place, Red Lion or visit our website at [www.gcccenter.com](http://www.gcccenter.com).

## Meals on Wheels Drivers Needed!

Looking for a great volunteer opportunity in 2022? Do you want to make a positive difference in many seniors' lives? Do you like putting smiles on people's faces? If you're able to donate a few hours a month in the mornings, Meals on Wheels would be perfect for you! We desperately need caring volunteers to help deliver meals to our local seniors in the Red Lion area. These seniors rely on our services, as sometimes the only food they get is what we bring them. Volunteers are an integral part of this program. Without them, we couldn't provide these much needed services. For more information, please contact Ami Barnard, Meal Coordinator, at Golden Connections Community Center at 717-244-7229 or [mealcoordinator@gcccenter.com](mailto:mealcoordinator@gcccenter.com)

## WILL YOU NEED HELP WITH RAKING AND SHOVELING?

York County older adults age 60+, who are interested in getting help with fall cleanup, raking, snow shoveling, programming electronic devices, or with other household chores are encouraged to arrange for help from a Rent-A-Kid. The Rent-A-Kid program is sponsored by the York County Area Agency on Aging. This is an "intergenerational program" that connects together York County older adults who need help, and nearby middle and high school students in grades 7-12, who want to help. For over 30 years, "Kids" have been helping and learning from older adults through the Rent-A-Kid program. The **goal** of the Rent-A-Kid program is not only to get an important job done, but also to foster friendships between older adults and youth. Lifelong, rewarding relationships have blossomed between kids and older adults!

Older adults in need of assistance can call the Rent-A-Kid coordinator, Hope Eberly, at **717-771-9103**, who will provide names and phone numbers for youth nearby who may be interested. It is the responsibility of the older adult to contact the youth and discuss the job to be done, when it is to be done, the rate of pay for the job, and any other arrangements that need to be made. The older adult needs to be agreeable to a reimbursement of a minimum of \$5/hour, or a negotiated rate based on the job.

Middle and high school students in grades 7-12 who are interested in participating should contact their local school guidance counselor for the application. Home schoolers can obtain an application at [www.ycaaa.org](http://www.ycaaa.org) on the Forms and Documents page, or call Hope Eberly at **717-771-9103** for an application.
