Tuesdays will be designated to the east side of the borough and Wednesdays will be designated to the west side. Please remember to rake them as close to the edge of the curb as possible away from cars, fences, posts or poles. Tree limbs, sticks, shrub or hedge trimmings, grass, stones or any other foreign objects are not to be deposited in the leaves; otherwise the leaves will not be collected. Thank you for your cooperation.

## STREET LIGHTS

If you see a street light that is out or not working properly, please contact the Borough at 244-6626. We are not always around at night to see the problems first-hand, so any help would be greatly appreciated.

## PET OWNERS!!!!!!!!!!

When walking your pets,  
**PLEASE** be responsible  
and clean up after them.

## ATTENTION!!

### GRASS GROWING IN THE CURBS & SIDEWALKS.....

The sidewalks adjacent to your property are yours to maintain. Grass & weeds are to be removed from curbing & sidewalks, including where the curb joins the street, and around utility poles & traffic signs. Help Dallastown Borough keep its small-town charm by removing the weeds from your sidewalks.

### A MESSAGE FROM THE TAX COLLECTOR.....

A Per Capita Tax of \$10.00 is levied upon each resident of the Borough who is eighteen (18) years of age or older and has lived in the Borough during any part of the fiscal year.

If you have not received a bill, please contact the Tax Collector at [LindaShaub@aol.com](mailto:LindaShaub@aol.com) or call 717-244-3885.

Please check to make sure you paid your 2018 bill.

SWIFT911 is a new way for the borough to contact all of our water subscribers and our residents at any given time in case of an emergency such as water main breaks in your area, snow emergencies, hydrant flushing, etc.

We are in the process of setting it all up and need your help by providing the contact information you wish to give. Signing up on SWIFT911 is free, quick, and very helpful for you and the borough. You can find the above picture on the left hand side of the borough website.

Please call Dallastown Borough office or email [jarod@dallastownboro.com](mailto:jarod@dallastownboro.com) with any questions about signing up.

Thank You!

## FIREWORKS!!!

Feel the need to celebrate? The State of Pennsylvania has repealed and replaced the Fireworks Act of 1939 in its entirety. House Bill 542 was signed into law on October 30, 2017.

Here are some of the highlights of the new Bill:

- Consumers can now purchase and use "Class C" or "consumer-grade" fireworks that include firecrackers, Roman Candles, bottle rockets, and similar fireworks that contain a maximum of 50 milligrams of explosive material. The expansion includes those fireworks that were previously only available to out-of-state residents.
- Display fireworks, containing more than 130 milligrams of explosive materials, and aerial shells, containing more than 60 grams of pyrotechnic compositions, are only to be used by professionals with a permit from the municipality.
- Must be at least 18 years of age to purchase fireworks.
- **RESTRICTIONS:** Cannot be discharged on public or private property with express permission of the property owner. Cannot be discharged from, within, or toward a motor vehicle or building. Cannot be discharged within 150 feet of an occupied structure. Cannot be discharged while the person is under the influence of alcohol, controlled substance or another drug.
- They can be purchased at any licensed facility, including temporary ones which are tents or other structures found in parking lots.

**SIDEWALKS** – Snow/ice is to be removed from the sidewalks within 24 hours after a winter storm ceases. Properties at street intersections: **please** clear the snow that piles up at the sidewalk corners. This will help school children, the postal service and other pedestrians safely cross the street. We ask those who do not have sidewalks to follow this as well.

**PLOWING STREETS** – The snow plows will be plowing snow from “curb to curb” to remove as much snow from the streets as possible. This process takes time so please have patience and bear with us as we work to clear the streets as quickly as we can. When removing snow from your sidewalks, do not shovel the snow into the streets.

**\*\*In heavy snow storms, plows will be clearing driving lanes as quickly as possible and then will go back to work on clearing the sides/shoulders of the roads from curb to curb. Unfortunately, this sometimes pushes snow back on to your sidewalks which you may already have shoveled. If this occurs, we apologize for the inconvenience and added work that it may cause you, but it is essential to make our streets safe.**

In the event of a **Snow Emergency**, announcements will be made on **WGAL-TV 8, FOX 43, ABC 27 WHTM, CBS 21, WARM 103.3, 96.1 WSOX, FROGGY 107.7, ROCKY 98.5** and the local newspapers.

**NO PARKING** will be allowed on the “snow emergency routes” when an emergency is declared. Vehicles that are not moved will be towed at the vehicle owner’s expense.

### ***Snow Emergency Routes:***

The following streets shall be declared snow emergency routes: (Streets are posted)

## 10<sup>TH</sup> ANNUAL CHRISTMAS IN DALLASTOWN

SATURDAY, NOVEMBER 3<sup>RD</sup>  
9:00 AM - 3:00 PM

This event keeps getting bigger & better with each passing year. The main purpose for the event was to get people into Dallastown to support our local businesses. Since then it has grown by leaps & bounds, with over 1500 people attending last year. There are several businesses participating again this year, some old, some new. The Fire Companies (Both Dallastown & Yoe), American Legion and local churches (Christ Lutheran, Bethlehem United Methodist, St. Joseph's & St. Paul's UCC) will be filled with vendors and food. There will be maps at all the venues, so pick one up and start your Christmas shopping early! And don't forget to get your map stamped at all the venues & businesses to qualify for a prize.

## 2018 TOWN & TREE LIGHTING & CHILDREN'S CHRISTMAS PARTY

The Borough will once again ring in the holiday season with our annual Town & Tree Lighting Ceremony on **Saturday,**

**November 24<sup>th</sup>** beginning at 6:30 pm. The evening will start at the tree in front of the American Legion. There will be a little bit of music, the lighting of the town & tree and some hot chocolate while we wait for Santa to arrive on one of Rescue Fire Company's trucks.

The Party will follow at the Rescue Fire Company where there will be refreshments, a coloring contest, plus every child will get a chance to visit and receive a gift from Santa. Each child will also receive a raffle ticket for a chance to win a larger gift.

Everyone enjoyed the entertainment from last year, so we brought her back again, a ventriloquist from Baltimore, Silly Goose & Val. So, mark your calendar and join us for a fun evening! This is a free event sponsored by Dallastown Recreation.

## DALLASTOWN EMA NEWS

As we approach the fall/winter season, keep in mind....how prepared are you? Do you have your "Go Bag" packed? If you need a copy of the list for your bag, they are available at the Borough office. Also, make sure your generators are serviced, all family members have an ICE (in case of emergency) contact in their mobile devices, and know your shelter location. It is very important to make sure all family members know how to dial 911 when there is a life threatening emergency. Checking on your neighbors is always a good idea too. And don't forget your furry family members.....they also need a "Go Bag" and shelter placement along with a contact list including the veterinarian.

Not only do we need to worry about the preparation of our residential community, but also our community businesses need to ask themselves.....how prepared are we? What is your "Ready to Go Plan"? Check out Homeland Security's website at [www.ready.gov](http://www.ready.gov) for business toolkits. The link is "Business Emergency Preparedness Social Media Toolkit". Get your employees involved in putting your plan in place.

If you are interested in preparedness training you can contact the Borough Office at 717-244-6626. Training is free. Appointments can be made for me to come to your residence, business, school or daycare.

All of our work is volunteer and very rewarding.

Have a safe and happy holiday season!

## CHINESE RESTRICTIONS ON IMPORTS CREATING RECYCLING INDUSTRY CRISIS

There have been some changes which severely impacted the recycling industry. The United States generates more recycling material than any other country in the world and China is the world's largest buyer of recycling material. The Chinese government recently imposed new rules severely restricting the levels of contamination allowed in the recyclable material they accept. These changes have had a catastrophic consequences on the US recycling industry.

Contamination is any non-recyclable item (aka trash) that gets mixed into a bale of recyclable material. When bales of recyclables arrive in China, they are cut open and sorted through. Items such as plastic bags, clothing, medical waste, Christmas lights and any other non-recyclable items are considered "contamination".

Previously, bales were allowed to have around 5% contamination in them, or 92 lbs of trash, in a 1,850 lb bale of recyclable paper. Beginning in 2018, China changed those restrictions to a 0.5% contamination rate, or 9 lbs of trash in a 1,850 lb bale of recycled paper. This is an unrealistic number that recycling companies cannot meet.

Many of our customers are enthusiastic recyclers and want to make sure they're doing it properly. Recycling continues to be the future of the waste industry by itn will come at a cost if there is no market for recycling material. We need our customers' help in making sure they're not throwing trash in with their recycling so that we can try to meet China's new contamination limits.

We encourage all of our customers to do the following:

1. Educate yourself on what items Penn Waste is able to recycle. Here's a link of **what is and is not** recyclable – [http://www.recyclemorepa.com/wp-content/uploads/2016/02/PennW-ItemsFlyer\\_English-Spanish\\_05.pdf](http://www.recyclemorepa.com/wp-content/uploads/2016/02/PennW-ItemsFlyer_English-Spanish_05.pdf)
2. Do not throw items in the recycle bin unless you know for sure it is recyclable. **When In Doubt, Throw It Out!**
3. Make sure you properly sort your materials, making sure that wet, non-recyclable items are tossed in the garbage.

Additional information will be posted on our website at [www.pennwaste.com](http://www.pennwaste.com).

P.O. Box 485

Dallastown, Pa. 17313

### **Our care is Driven and Centered around our Community.**

Every year more than 300,000 people experience Cardiac Arrest. Sudden cardiac arrest is due to an electrical rhythm problem making the heart incapable of pumping blood to the rest of the body.

#### **The signs and symptoms can include:**

Sudden loss of responsiveness.

There is no response to any question or touch.

No normal breathing

Not breathing at all or only gasping

#### **What you should do:**

##### **Tap and shout.**

Tap the person and ask, "Are you okay?" if he does not move, speak, blink or otherwise react then he is not responding.

##### **Yell for help.**

Tell someone to call 911 and get an AED (if one is available)

If you are alone dial 911 and get the AED.

##### **Check Breathing.**

If the person isn't breathing or is only gasping, begin CPR.

##### **Give CPR.**

Push hard and fast so the chest goes down at least 2 inches at a rate of 100 to 120 pushes per minute. Allow the chest to return to normal position before administering the next push.

##### **Use an AED**

If available, turn on and follow the prompts.

##### **Continue CPR.**

Keeping pushing until the person starts to breath or move or until someone with more advanced skill arrives.

Early CPR can double or even triple the chance of survival. About 85% of cardiac arrests take place at home. If you don't know CPR, learn it and be confident that if ever needed you too could save a life.

## OVERCOMING SOCIAL ISOLATION

October is Depression Awareness Month. Rick of depression increases when people experience social isolation, which is especially common among seniors. Social isolation and depression take a toll on physical and mental well-being. rabbittransit plays a critical role in the socialization of the lives of older adults. Transportation provides access to the senior center for a dance class or watercolor painting session, the gym of the hair salon, a friend's house of a faith-based service. Being able to live fully by traveling safely offers seniors socialization to combat isolation and depression.

Seniors 65 years of age and older (and in some cases younger) are eligible for paratransit, often referred to as "Shared Ride", in which a bus comes right to your door (co-pays may apply depending on many different factors). For more information about our services or to sign up for free travel training, visit our website at [rabbittransit.org](http://rabbittransit.org).

## Dallastown Lions Club News We Serve!

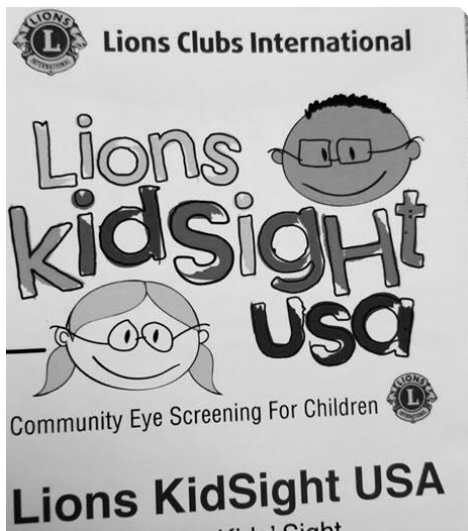

### Dallastown Lions Club Awards Scholarship

Lion Nancy Taylor and Lion Norman T. Morris from the Dallastown Lions Club awarded a \$1,000.00 scholarship to Dallastown Area High School graduate, Garrett Johnson. Garrett was in the Dallastown Leo Club and was a cadet with the Dallastown MCJROTC program. Garrett is attending Virginia Military Institute this fall and was an outstanding student at Dallastown Area High School.

The Dallastown Lions Club wishes Garrett the best as he follows his dreams in the future.

### Dallastown Lions Club Hosts Free Eye Screening Events

Dallastown Lions Club hosted several free eye screening events this year including one day of screening at our Dallastown Carnival in August. The free eye screening is

for children ages 6 months to 6 years of age. These events were also held at Bethlehem United Methodist Church in the spring and again this fall, at Kaltreider-Benfer Library on two Tuesdays in August, and at Christ Lutheran Church in September.

If you are interested in having the Dallastown Lions Club screen a group of youngsters in your church or preschool, please contact Lion Amie Wade, Eye Screening Awareness Chair, at (410) 710-7917.

### Dallastown Lions Club White Cane Event

The Dallastown Lions Club will be holding our semi-annual White Cane Event at Nell's (ShurFine) Dallastown store on Friday, October 5<sup>th</sup> and Saturday, October 6<sup>th</sup>. All proceeds that are raised at this event will be given to the Leader Dogs program. The Leader Dog program empowers people who are blind or visually impaired with lifelong skills for safe and independent daily travel. So make a point to come out and visit your local Lions Club and help a very worthy cause.

### Wreaths Across America

The Dallastown Lions Club will be participating in the annual Wreaths Across America program this year. Wreaths Across America honored all veterans across this wonderful nation and our local York County branch honored York County veterans. The ceremony will be held at the Susquehanna Cemetery on Saturday, December 15, 2018.

At the conclusion of the service, everyone will be picking up a wreath for their loved ones and will place them on their grave. Dallastown Lions Club has many deceased members who also served in our great military and members of our club will be there to place wreaths on our fallen hero's graves. If you have a veteran that you would like to honor, please contact Joan Snyder at (717) 887-1848, [jsnyder1848@gmail.com](mailto:jsnyder1848@gmail.com) or visit [www.wreathsassamerica.org](http://www.wreathsassamerica.org). You can come to the ceremony and pick up an ordered wreath and take it to any cemetery that you would like to.

Thanks to all of our veterans and those who currently serve for without their great sacrifices we would not be the free nation we are.

The Dallastown Lions Club is preparing for our annual Christmas Food Basket drive. Our very own Leo Club and our Marine JROTC cadets from the Dallastown Area Senior High School helped to pick up, sort and deliver the food baskets to our residents. Our Leos also provide food from their very own food drive.

Several families in the Dallastown area will be receiving baskets of food for their Christmas dinner. A special thank you to the Dallastown Middle School children, under the supervision of their amazing teacher, Catherine Ross, for their hard work in collecting the cans and food goods for this project. Also, thanks to the Dallastown American Legion Auxiliary for their financial contribution to this cause.

By all of us working together, our most vulnerable residents will have a very Merry Christmas and a Happy New Year!
