From the Desk of Mayor Meyers.....

A new season is soon upon us, and with it comes more great dates to look forward to. The Halloween parade will be on October 16th, and, in my opinion, it is one of the best parades in the county. Trick or Treat will be on October 31st from 6:00 pm to 8:00 pm. Don't forget Election Day on November 4th, it is everyone's duty to help pick the people who will represent us for the next four years!

Christmas in Dallastown is on the 8th of November. This is a great time to invite friends to our town. On November 29th, we have the tree lighting and Santa Claus Christmas party at SAFER.

Do you know where Dallastown Community Park is? It is located right behind SAFER on S. School Place. It has many uses, such as a new playground, a dog park, a walking trail, basketball court, and baseball fields. We also have Pavilions you can rent. Come check it out!

Our town can continue to be a lovely place to live, but to maintain its quality of life, we must support our fire company and police department. The fire company can always use a few more good men and women to volunteer and protect our town. They put their lives on the line as volunteers and should be applauded.

The police also need our help by calling 911 when we see something that does not look right or when we see an actual crime occurring. We can't have a police officer on every corner of the town, but we should have people who are willing to do the right thing when they see a crime. It is only when the people fight back against crime that we all can feel safe in our homes. We all – the mayor, council, borough office staff, borough maintenance staff, and all our committees, try our very best to make the mission statement below true.

Mission Statement

The mission of Dallastown Borough is to strengthen Dallastown's existing structure to promote safety, comfort, and harmonious relationships for an ongoing improvement of the quality of life for the residents, their children, and their children's children.

I want to wish all our great citizens a wonderful fall and winter!

Yours truly,

Mayor Terry L. Meyers

2026 *New Year's Day:* No Change to Monday pick up, but Thursday pick-up is shifted to Friday.

*****CHRISTMAS TREES CAN BE DISPOSED ON ANY THURSDAY AS A LARGE ITEM*****

SIDEWALKS – Snow/ice is to be removed from the sidewalks within 24 hours after a winter storm ceases. Properties at street intersections: **PLEASE** clear the snow that piles up at the sidewalk corners. This will help school children, the postal service and other pedestrians safely cross the street. We ask those who do not have sidewalks to follow this as well.

PLOWING STREETS – Please keep trees & shrubs cut back from the roadway, or the roadway may not be plowed. The snow plows will be plowing snow from “curb to curb” to remove as much snow from the streets as possible. This process takes time so please have patience and bear with us as we work to clear the streets as quickly as we can. When removing snow from your sidewalks, do not shovel the snow into the streets, this is prohibited by borough ordinance.

******In heavy snowstorms, plows will be clearing driving lanes as quickly as possible and will then go back to work on clearing the sides/shoulders of the roads from curb to curb. Unfortunately, this sometimes pushes snow back on to your sidewalks which you may already have shoveled. If this occurs, we apologize for the inconvenience and added work that it may cause you, but it is essential to make our streets safe.

In the event of a **Snow Emergency**, announcements will be made on **WGAL-TV 8, FOX 43, ABC 27 WHTM, CBS 21, WARM 103.3, 96.1 WSOX, FROGGY 107.7, ROCKY 98.5** and the local newspapers.

NO PARKING will be allowed on the “snow emergency routes” when an emergency is declared. Vehicles that are not moved will be towed at the vehicle owner’s expense.

Snow Emergency Routes:

The following streets shall be declared snow emergency routes: *(Streets are posted)*

- Main St.
- South side of W. Maple St. from Borough Line to N. Walnut St.
- South side of E. Maple St. from N. Walnut St. to N. Park St.
- N. Walnut St. from Main St. to Maple St.
- S. Walnut (WEST SIDE ONLY) from Main St. to E. Gay St.
- E. Gay St. (SOUTH SIDE ONLY) from S. Walnut St. to S. Pleasant Ave.

Otherwise, the leaves will not be collected.** Thank you for your cooperation.

SIGN UP FOR SAVVY CITIZEN

Savvy Citizen is a new way for the borough to contact all our residents and water subscribers at any given time in case of an emergency such as water main breaks in your area, snow emergencies, hydrant flushing, etc. We need your help by signing up and providing your contact information. Creating an account on **Savvy Citizen** is free, quick and easy, plus very helpful for both you and the borough. You can sign up using the borough website (dallastownboro.com), by using the QR Code, or visiting SavvyCitizenApp.com. Any questions, please call the Dallastown Borough office or email jarod@dallastownboro.com.

TREES & SHRUBS OVERHANGING THE STREETS & SIDEWALK.....

Trees that are overhanging streets & sidewalks should be trimmed no less than 15ft over the street and 6ft over the sidewalk. Bushes & shrubs growing out into the streets & sidewalks should be trimmed away from the right-of-way and sidewalk as to not interfere with traffic & travel.

SPRING STREET SWEEPING

Please remember to keep your sidewalks clear for street sweeping this year. This means having your sidewalks swept of any salt or cinders so it can be removed when the sweeper comes through. If your walks are not cleared, a "Quality of Life" violation can and will be issued.

DON'T FORGET.....

Disconnect your garden hose from the outside faucet when the temperature drops.

What is Stormwater?

Stormwater is the precipitation that flows across the ground after it rains or when snow and ice melt. Stormwater can become an issue as it picks up debris, dirt, and chemicals when it flows. It can also cause flooding that erodes stream banks. This polluted stormwater is collected in our

storm sewer systems which are made up of pipes and roadside ditches. All the stormwater collected eventually makes it to our streams, lakes, and wetlands. Since stormwater is not treated, the pollutants that have been collected make it back into our waters!

Please Manage Stormwater & Re-establish A Natural Water Cycle By:

- Directing flow into vegetated areas
- Planting Trees
- Use Rain Barrels
- Rain Garden
- Porous Pavement
- Infiltration Trenches
- Pick up Pet Waste
- Maintain your vehicle
- Clean up Spills
- Use Pesticides and Fertilizers Correctly

For More Information log into:

WIN A DO IT YOURSELF RAIN BARREL - Capture stormwater from your home gutters and downspout system to use for watering plants and gardens.

Please enter by dropping the entry slip into the bucket located in the lobby of the Dallastown Borough Office - 175 E. Broad Street, Dallastown, PA 17313. Drawing will be held on NOV 19, 2025.

DALLASTOWN EMA NEWS

As we approach the fall/winter season, keep in

 mind.... how prepared are you? Do you have your “Go Bag” packed? If you need a copy of the list for your bag, they are available at the Borough office. Also, make sure your generators are serviced, all family members have an ICE (in case of emergency) contact in their mobile devices, and know your shelter location. It is very important to make sure all family members know how to dial 911 when there is a life-threatening emergency. Checking on your neighbors is always a good idea too. And don’t forget your furry family members.... they also need a “Go Bag” and shelter placement along with a contact list including the veterinarian.

Not only do we need to worry about the preparation of our residential community, but also our community businesses need to ask themselves.....how prepared are we? What is your “Ready to Go Plan”? Check out Homeland Security’s website at www.ready.gov for business toolkits. The link is “Business Emergency Preparedness Social Media Toolkit”. Get your employees involved in putting your plan in place.

If you are interested in preparedness training, you can contact the Borough Office at 717-244-6626. Training is free. Appointments can be made for me to come to your residence, business, school or daycare.

All our work is volunteer and very rewarding.

Have a safe and happy holiday season!

SENIOR NEWS.....

WILL YOU NEED HELP WITH RAKING AND SHOVELING?

York County older adults aged 60+, who are interested in getting help with fall cleanup, raking, snow shoveling, or with other household chores are encouraged to arrange for help from a Rent-A-Kid. The Rent-A-Kid program is sponsored by the York County Area Agency on Aging. This is an “intergenerational program” that connects York County older adults who need help, and nearby middle and high school students in grades 7-12, who want to help. The **goal** of the Rent-A-Kid program is not only to get an important job done, but also to foster friendships between older adults and youth.

Older adults in need of assistance can call the Rent-A-Kid coordinator, Hope Eberly, at **717-771-9103**, who will provide names and phone numbers for youth nearby who may be interested. It is the responsibility of the older adult to contact the youth and discuss the job to be done, when it is to be done, the rate of pay for the job, and any other arrangements that need to be made. The older adult needs to be agreeable to a reimbursement of a minimum of \$5/hour, or a negotiated rate based on the job.

Middle and high school students in grades 7-12 who are interested in participating should contact their local school guidance counselor for the application. Home schoolers can obtain an application at www.ycaaa.org on the Forms and Documents page or call Hope Eberly at **717-771-9103** for an application.

Recognizing the signs of a scam can help you avoid falling victim to one. These scams primarily use telephone to contact you, but scammers may also use email, text message, social media, or U.S. mail.

TIPS TO PROTECT YOURSELF

- 1. Do not take immediate action.** If you receive a communication that causes a strong emotional response, take a deep breath. Hang up or ignore the message. Talk to someone you trust.
- 2. Do not transfer your money!** Do not buy that gift card! Never pay someone who insists that you pay with a gift card, prepaid debit card, Internet currency or cryptocurrency, wire transfer, money transfer, or by mailing cash. Scammers use these forms of payment because they are hard to trace.
- 3. Be skeptical.** Do not believe scammers who “transfer” your call to a government official or law enforcement officer. Scammers can create fake numbers and identities. Do not trust your caller ID. Do not provide your personal information, even if the caller has some of your information.
- 4. Do not click on links or attachments.**
