- There is nothing new on Shentel.
- On 1/24/14, there was an 8" shear break on S. Franklin Street. Kinsley helped with this one.
- On 2/3/14, there was a 6" shear break on Clover Hill Road.
- Due to the inclement weather and hazardous conditions, shut offs were not able to be done this past quarter. Mr. Wertz suggested that a letter go out to all delinquent customers that were on the shut off list, explaining the situation and not to plan on it happening again.

**Motion:** Ms. Myers moved and was seconded by Ms. Bentzel to approve a letter being sent to all delinquent customers explaining why shut offs did not happen this past quarter.

**Motion carried 4-0.**

- The Office will begin taking credit cards “in house only” starting in March.
- The Authority, on the suggestion of Mr. Wertz, gave each maintenance employee \$100.00 for new boots or jacket. This was to show the Authority’s appreciation for all the hours spent on water leaks in the past few months.
- PennDOT sheared off a hydrant on Lombard Street.

**OTHER BUSINESS TO COME TO THE ATTENTION OF THE AUTHORITY**

- Ms. Myers inquired as to what is going on at 400 W. Main Street. Lee Knepper purchased that property and needed to replace the service line which was galvanized. Maintenance was on service calls there several times. When maintenance went to turn the water off, they thought there was only 2 curb boxes, but there was actually 3. The 3rd curb box was not shown on the drawings. Mr. Knepper wants compensated for the backhoe time. Ms. Stokes told him she will only work with him for our time and his permits. The Authority stands behind Ms. Stokes decision.
