From the Desk of Mayor Meyers.....

Hello Dallastown citizens,

I hope you are well and have not fallen ill from the Covid virus. There is also the snow which is more than we have seen in many years. I am thankful that spring is just around the corner, and that hopefully nicer weather can't be too far behind.

As of right now, it is hard to say what the spring and summer will be like, but we can hope we will be back to normal soon.

2020 has not been a good year for many of us and so we have to look up to a better year ahead.

Finally, please remember all of the safety hints, one of them being to lock your car overnight. Also, do not leave valuables in your vehicle, and report any suspicious persons to the police. I hope to see many of you around town and I wish you all the best for the coming season!

A handwritten signature in cursive script that reads "Terry L. Meyers, Sr." The ink is dark and the signature is fluid.

Mayor Terry L. Meyers, Sr.

Penn Waste Holiday Collection Schedule...

Holidays observed by Penn Waste, trash collection (trash, recycle and bulk pick up) will be shifted a day. Any questions, please call Penn Waste at (717) 767-4456.

Memorial Day: Monday pick up shifts to Tuesday and Thursday pick up shifts to Friday.

Labor Day: Monday pick up shifts to Tuesday and Thursday pick up shifts to Friday.

BOROUGH NEWS.....

FLUSHING: The Dallastown-Yoe Water Authority will begin flushing hydrants on April 19th. Please be aware that some discoloration of the water may occur, and you may be without water for short periods of time during the flushing procedure. **Make sure your water is not discolored before doing laundry.**

STREET SWEEPING: Borough Maintenance will be starting the street sweeping on Monday, April 5th and should be finishing by Wednesday, April 14th depending on the weather. Please have your sidewalks cleaned before street sweeping begins. Thank you!

POTHOLES:

With the harsh winter that we've had, it's almost a guarantee that there will be potholes throughout the Borough. If you happen to discover any that Borough Maintenance has not, please contact the Borough Office at 244-6626. Thanks so much for your help!

STREET LIGHTS:

If you happen to see a street light that is out or not functioning properly, please contact the Borough Office. We are not always around at night to see the problems first-hand, so any help would be greatly appreciated.

TAX COLLECTOR:

Linda Shaub, the Dallastown Borough Tax Collector will be at the Borough Office on Wednesday, April 14th from 10:00 am to 2:00 pm and Thursday, April 15th from noon to 2:00 pm. She will be located in the Council Room to the rear of the building. Please enter thru the double glass doors on the side of the building.

PET OWNERS: When walking your pets, please be responsible and clean up after them. Thank you!

RENTAL UNITS: All residential rental units must be registered and inspected by the Borough.

VEHICLES: All vehicles parked outside of an enclosed structure (garage) shall be current with both inspection & registration, shall not have flat tires or be dismantled and must be operable.

POOLS: All Pools (temporary or permanent) capable of holding 24 inches of water or more must meet the building code regulations of Dallastown Borough. Please fill out the building permit application prior to setting up your pool.

TREES & SHRUBS OVERHANGING THE STREETS & SIDEWALKS:

Trees that are overhanging streets & sidewalks should be trimmed up about 15 feet. Bushes & shrubs growing out into the streets & sidewalks should be trimmed away from the right-of-way.

GRASS GROWING IN THE CURBS & SIDEWALKS:

The sidewalks adjacent to your property are yours to maintain. Grass & weeds are to be removed from curbing & sidewalks, including where the curb joins the street, and around utility poles & traffic signs. Help Dallastown Borough keep its small-town charm by removing the weeds from your sidewalks. Kindly refrain from discharging grass clippings into the streets or on the sidewalks.

GRASS GROWING IN EXCESS OF 8 INCHES ON YOUR PROPERTY:

Grass & other vegetation shall be maintained to a height of no more than 8 inches on your property. Poison ivy and other nuisance "weeds" shall be removed as well.

If your property falls into a non-compliance state, a violation letter will be sent by certified mail to the owner or tenants who reside on the property. If the nuisances still exist, a non-traffic citation will be issued each day the property is in non-compliance.

YARD SALE PERMIT: A permit is required, per

Dallastown Borough Ordinance. You may stop into the Borough office at 175 E. Broad St. to purchase a permit, the cost is \$10.00.

ACCEPTABLE MATERIALS

The following items **ARE** recyclable.

Aluminum & Steel Cans
Glass Bottles & Jars
Plastic Bottles & Jugs
Cardboard (Dry & Flattened No Food Contact)
Newspaper (Clean & Dry No Food Contact)
Cartons

If you have any questions about acceptable materials or would like to learn more about increasing the amount of materials you are recycling, call the Penn Waste Customer Service team at (717) 767-4456.

UNACCEPTABLE MATERIALS

The following items are **NOT** recyclable.

Food-Soiled Materials
Needles and Medical Waste
Broken Glass
Windows, Mirrors, Ceramics
Drinking Glasses
Aluminum Foil
Scrap Metal
Plastic Tableware (Knives, Forks, etc.)
Plastic Bags (Including Grocery Bags)
Light Bulbs
Solvents, Oil and/or Chemical Containers
Soaked and/or Wet Papers or Cardboard
Waxy Cardboard
Plastic Food Wrappers
Used Paper Towels or Tissues
Christmas Lights
Hoses
Propane Tanks
Shredded Paper

Penn Waste would like to issue a reminder to residents in south central Pennsylvania that pool chemicals should NOT be disposed of in your curbside trash and recycling bins. Pool chemicals are considered hazardous waste and need to be disposed of properly.

The Solution

Here are several options for getting rid of pool chemicals:

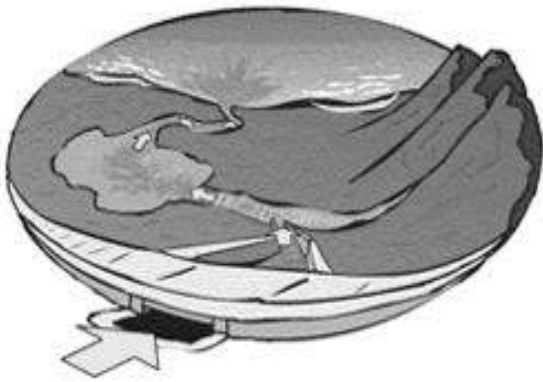

- Take them to a facility that handles hazardous waste. Make sure you check with your local solid waste authority to see if they accept pool chemicals prior to arriving.
- York County Solid Waste Authority
- Check with the pool store you originally bought them from to see if they have a disposal method.
- Donate them to a community pool or your neighbors who have pools.
- Shock your pool by dumping the left over pool chemicals in before you close it for the season.

We appreciate your help in keeping our team members safe!

What is Stormwater Runoff, and Why is it Important?

Stormwater runoff is rain or snowmelt that flows over the ground and into the Borough's stormwater system or directly into creeks and streams.

As this runoff flows, it can pick up and transport harmful pollutants such as oils and greases, heavy metals, pesticides, fertilizers, trash and debris, sediment, and animal wastes.

Our storm drains do not connect to water treatment facilities, but rather drain untreated into local waterways.

Pollutants are carried along with stormwater runoff into our creeks, streams, and the Chesapeake Bay.

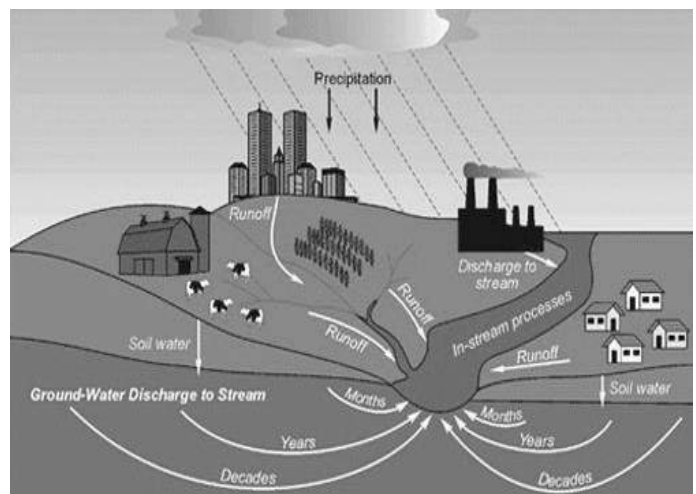

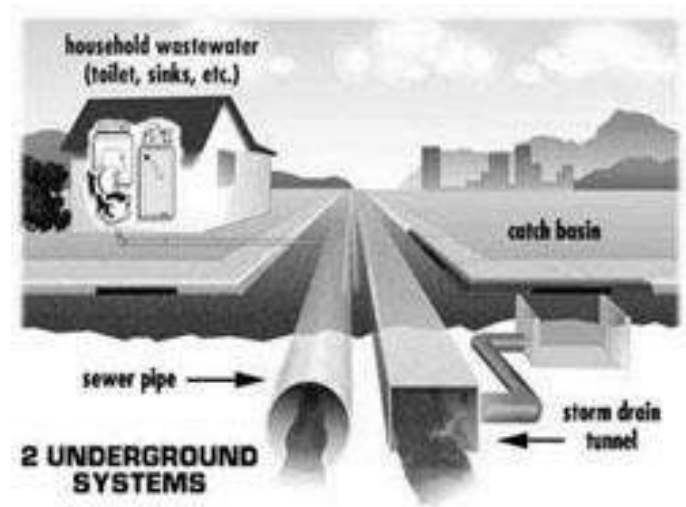

As a result, contaminated stormwater runoff is a major source of pollution to our local waterways. Excessive contamination of runoff causes sedimentation of our streams, water quality degradation, and unhealthy water conditions for humans and wildlife.

Dallastown Borough's Stormwater System and Stormwater Management Program:

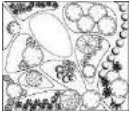

Dallastown Borough has a Municipal Separate Storm Sewer System (MS4). This means that stormwater and sanitary sewage are completely separated.

The Borough's stormwater conveyance system is made up of storm drains, curbs, gutters, ditches, man-made channels, and streams that are connected by a network of underground pipes.

Since our stormwater system drains to surface waters, Dallastown Borough is required to develop a stormwater management program. There are six key elements of the stormwater management program; the key elements are addressed through the development and implementation of best management practices (BMPs) and will lead to water quality improvements through the reduction of pollutants to the maximum extent practicable.

Avoiding Stormwater Pollution - Garden Activities

Landscape design – Use native plants, which are already adjusted to regional climactic conditions, require less irrigation and fertilizer, and are more disease resistant. Consider ground cover in place of some lawn or turf areas, as they require less maintenance and water than lawns.

Fertilizer Use - The reduction or elimination of fertilizer use is encouraged; if you must use fertilizers apply them sparingly and consider non-toxic options such as composted organic material. Also, only apply fertilizer in the fall, when it will promote root growth and a healthier lawn and garden. Remember that fertilizer can get washed away when it rains and enter the stormwater system, adding excessive and harmful nutrients into local creeks and streams

Use Mulch – Using mulches in your landscaping and gardening helps to retain water, reduce weed growth, prevent erosion and runoff, and improve the soil for plant growth.

Irrigate Efficiently -

water that is applied to gardens is not absorbed by the vegetation. When water is applied too quickly, it is lost as runoff along with the top layers of soil. To prevent this, it is important to use low-volume watering approaches such as drip-type systems. In addition, watering should only occur in the early morning or evening, when temperatures are lower and less water evaporates.

Much of the lawns and by the

Pesticide Use - Like fertilizers, pesticides should be used on lawns and gardens only when absolutely necessary. Pesticide use can be avoided entirely by selecting hearty plants that are native to the area and by keeping them healthy. It is also important to identify any potential pests to determine if they are truly harmful to the plant. If it is necessary to use chemical pesticides, the least toxic pesticide that targets the specific pest in question should be chosen and instructions should be followed carefully.

Pet Waste Management - When walking your pet, please remember to pick up their waste and dispose of it properly. Bagging the waste and throwing it away is the best disposal method.

Leaving pet waste on the ground increases public health risks by allowing harmful bacteria and excess nutrients to wash into the storm drain and eventually into local water bodies.

Trash Management - When trash is not properly disposed of, litter enters the stormwater system. This eventually enters our

waterways, increasing the risk of flooding by clogging up storm drains and pipes and posing a threat to wildlife and human health. Practice waste reduction to limit the amount of trash you generate by reusing materials, buying products with less packaging, and throwing less away. You can also participate in recycling programs to reduce the quantity of waste being disposed of in landfills and substitute used materials for virgin materials, thereby reducing the demand for natural resources.

Household Hazardous Waste - That cabinet of cleaners and chemicals under the sink may contain hazardous substances. Hazardous materials exist in our homes in many seemingly innocent forms such as paints and stains, cleansers and polishes, motor oil and antifreeze, and pesticides and herbicides, to name only a few. Typically, these products have the words "Danger", "Warning" or "Caution" on the label. These words are signals that you should be careful when using and disposing of these products.

Dangerous reactions are possible when hazardous materials are combined, so never mix used motor oil, antifreeze, gasoline, paint, paint thinner, pesticides, solvents or other potentially hazardous liquids together. We urge everyone to protect the environment and never pour these items onto the ground or down a storm sewer. Just think, one quart of oil can contaminate 250,000 gallons of water! Hazardous material should also be segregated from your daily solid waste stream and stored safely pending proper disposal. For more information on how to properly dispose of these hazardous materials please visit PennWaste.com or DEP.com.

EMERGENCY MANAGEMENT NEWS.....

As we begin the year 2021, let's continue to help all of those in the Borough and our community to keep Dallastown safe. Remember to report any issues you may come upon and report it to the Borough. No matter how large, our Borough staff will inspect your siting and assure that it will be corrected.

As your Emergency Management Coordinator, I look forward to continuously working with our Borough Manager and all the staff on providing Emergency Operation Plans to prepare our Community in case a disaster occurs.

If any of you are interested in volunteering and being part of Dallastown Borough's Emergency Management team, please contact me. Training would be required. Also, if anyone, such as churches, daycare staff, group homes for special needs or nursing home staff who would like help with your emergency operations plans, or any other training to provide support on how to utilize your resources and efforts. I will gladly set up a training session, please contact the Borough Office at (244-6626). Unsure of what's required, I'll let you know when a training session is scheduled.

Please check on you neighbors who may be elderly, disabled or just live alone. They may need our help not only in the winter, but throughout the year.

For everyone, don't forget your Families "Go Bag" or your Pets "Go Bag". There is community residential support available to help with home evacuation plans, and as well as getting your "Go Bags" prepared. You can check out www.Ready.gov for additional preparedness support.

May everyone in Dallastown and the surrounding communities be blessed with a wonderful year!

Yvonne Schrum
EMA Coordinator Dallastown Borough
Contact: 244-6626
devotion14@comcast.net

THINKING SPRING/SUMMER

As the summer approaches, bringing storms and possible power outages with it, it is a good idea to have a **“Go Bag”** on hand if needed. You never know when a storm might hit, causing you to seek shelter at one of our shelter locations, such as the Borough Building or Fire Hall.

Here's a list of items for your **“Go Bag”**:

- * Battery or Solar Flashlight
- * Light Sticks
- * Radio (Battery or Solar)
- * Batteries
- * Whistle
- * Cell Phone with Solar Charger
- * Poncho
- * Emergency Blanket
- * Fire Starter
- * 50' Para Cord or Para Cord Survival Bracelet
- * Dust Mask
- * Pocket Knife
- * Emergency Cash (Small Denominations)
- * Sturdy Shoes/Change of Clothes/Warm Hat
- * Local Map
- * Water & Food (MREs)
- * First Aid Kit
- * Permanent Marker/Paper/Write in Rain Tape
- * Photos of Family Members & Pets (for ID)
- * List of Emergency Contact Numbers
- * List of Allergies (Drug & Food)
- * Health Insurance & ID Cards
- * Eye Glasses/Hearing Aid/Vital Personal Item
- * Prescription Medications
- * Toothbrush & Toothpaste
- * Extra Keys to House & Vehicles
- * Any Special-Needs Items
(Children/Seniors/Disabled)

Don't forget to also make a **“Go Bag”** for your pets!

Build a Kit for Your Pet

Just as you do with your family's emergency supply kit, think first about the basics for survival, such as food and water. Have two kits, one larger kit if you are sheltering in place and one lightweight version for if you need to evacuate. Review your kits regularly to ensure that their contents, especially foods and medicines, are fresh.

Here's a list of items for your **“Pet Go Bag”**:

- * Keep several day's supply of food in an airtight, waterproof container.
- * Store a water bowl and several days of water.
- * Keep an extra supply of the medicine your pet takes on a regular basis in a waterproof container.
- * Talk to your veterinarian about what is most appropriate for your pet's emergency medical needs.
- * Include a backup leash, collar and ID tag. Have copies of your pet's registration information and other relevant documents in a waterproof container and available electronically.
- * Traveling bag, crate or sturdy carrier, ideally one for each pet.
- * Pet conditioner and other items, in case your pet needs some cleaning up.
- * Include pet litter and litter box (if appropriate), newspapers, paper towels, plastic trash bags and household chlorine bleach to provide for your pet's sanitation needs.
- * If you become separated from your pet during an emergency, a picture of you and your pet together will help document ownership and allow others to assist you in identifying your pet.
- * Put favorite toys, treats or bedding in your kit. Familiar items can help reduce stress for your pet.

NEW SOUTHERN AREA FIRE AND EMERGENCY RESCUE ORGANIZED

New Organization Formed to Improve Community Public Safety Services Dallastown, PA – Representatives from two volunteer fire-rescue companies that serve Dallastown and Yoe Boroughs and parts of York and Windsor Townships in York County jointly announced today that they are starting a new chapter in their history. The new Southern Area Fire and Emergency Rescue, also known as SAFER York, was formed to improve public safety services and create a stronger volunteer fire-rescue service to serve these municipalities and surrounding communities. "When this group of dedicated public servants looked at all the options available to improve the volunteer fire-rescue service from the community's perspective, it was decided that a merger of Rescue Fire Company No. 1 Dallastown and Yoe Fire Company was the best path forward for the residents, businesses, and visitors to the area," Ron Miller, Chairman of the merger steering committee said. Barry Myers, a life member and President of the Yoe Fire Company, agreed that there were several reasons to complete the merger. "We see how many volunteer Fire-Rescue and EMS organizations are struggling today across Pennsylvania and the country trying to maintain manpower, be fiscally responsible and provide top-notch service. Instead of waiting until both organizations were struggling, the merger allows us to begin the next chapter in the history of these two fire companies stronger than ever before," he stated. Matt Shields, Fire Chief of Rescue Fire Company No. 1 agreed, "Being proactive will help us sustain the volunteer fire-rescue service for many more years." "Both Rescue Fire Company No. 1 and Yoe Fire Company have proud traditions and history. It is important to remember where we came from, acknowledge where we are today, and recognize where we need to get to in the future," said Tyler Boyce, President of Rescue Fire Company No. 1. "By adopting the day-to-day name of SAFER York, it connects the newly merged firerescue company directly to our communities" stated Yoe Fire Company Fire Chief Rick Searle. The new Southern Area Fire and Emergency Rescue will have approximately 75 active volunteer members operating out of two fire stations, one in Dallastown Borough and one in Yoe Borough, respond to over 1000 calls for service a year, and will protect the same coverage areas focusing on providing service to Dallastown Borough, Yoe Borough, parts of York and Windsor Townships, and surrounding communities.

SOUTHERN AREA FIRE EMERGENCY RESCUE NEWS...

50 S. School Place, Dallastown, PA

LOOKING FOR A PLACE TO HAVE A PARTY OR BANQUET?

Sothorn Area Fire Emergency Rescue No 13-1 is your place for large & small room rentals at reasonable prices. Come see our Banquet Hall and Parlor!! We run a full scale Banquet center that can provide your banquet needs.

We have small & large rooms to rent. You can rent just the room or we can serve your entire banquet needs. Variety of menus available – **GREAT FOOD ALWAYS!!!**

Support your local fire company and let us serve you dinner as we continue to protect our communities!

For details call Sothorn Area Fire Emergency Rescue @ (717) 246-1629. If you get the answering machine leave a message on the Rental Line!!

BBQ SAFETY TIPS

- All barbeque grills must only be used outdoors — using grills indoors or in enclosed spaces is not only a fire hazard, but it exposes occupants to toxic gasses and potential asphyxiation.
- Always position the grill well away from combustible objects.
- Get your grill cleaned and serviced. Check all propane tanks and lines for leaks and damage.
- Never leave a lit grill unattended.
- Always use long handled grilling utensils and heat resistant oven mitts.
- Periodically remove grease build-up in catch trays to prevent it from igniting.
- Keep a garden hose nearby, connected and ready for use in case of a fire.

The York Area Regional Police Department is utilizing CRIMEWATCH and Facebook to assist the department and community with information sharing, crime prevention and crime mapping.

Visit our website, <https://york.crimewatchpa.com/yorkarearegionalpd>, and **Facebook**, <https://business.facebook.com/yorkregionalPD/>

COMMUNITY

The Officers and Staff of YARPD are all members of this community and we have therefore shared the difficulties, challenges and unprecedented illnesses experienced throughout 2020 and into 2021. To those affected by COVID-19, our thoughts are with you, your families, and your friends. To the medical community and all First Responders, we thank you for your dedicated service. To everyone in our community who showed support for their local Police, we will always be grateful.

CRIMES OF OPPORTUNITY

We are all itching to get out of our homes and offices in an attempt at getting back to "Normal." The Officers have noticed that our local criminals and juveniles without supervision, have already started to get back outside during the overnight hours. We have had a significant increase in Thefts from Vehicles and Vehicle Thefts over the past few months. The YAPD officers have been very successful in making several arrests related to these crimes but we would like to offer some advice to help reduce these crimes in the future. As the weather improves, more criminal opportunists will be headed outside. Many of the thefts were from unlocked vehicles, and many of the stolen items should never have been left inside. Never leave these items in your vehicle: Firearms, laptops, purses, wallets, vehicle and home keys, garage door openers (easy access to your home) and anything of value left in plain sight. Please, always lock your doors.

CAMERA REGISTRY

Turn Your Camera into a Crime Fighting Tool. Help us in preventing and solving crime using your security camera. It is simple, if an incident occurs near your device, we can identify and quickly request footage that may assist in an investigation. It is free, it's safe, and secure- at no time will the police have access to your camera without your permission.

If your device is within the York Area Regional coverage area, please follow our link on CRIMEWATCH.

CONGRATULATIONS OFFICERS

The Police Department welcomes Cadet Tyler W. Vanwyk to the department. He will be graduating from the H.A.C.C Police Academy on March 15, 2021. We will also be celebrating the retirement of Officer James A. Varner. He will be completing his 25th year on April 1, 2021. We recently honored 2020 Officer of the Year, Officer Joshua J. Crimmel. He had an incredible year and was chosen to receive this award by the Officers of YAPD.

Cadet Tyler W. Vanwyk

Officer James A. Varner

Officer Joshua J. Crimmel

IN THE BOROUGH & BEYOND.....

EASTER EGG HUNT

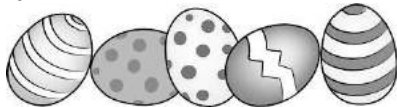

The annual Easter Egg Hunt at the Dallastown Community Park is again being hosted by the Dallastown American Legion Post #605. It will be held promptly at 11:00 am on Saturday, April 3rd. **Face masks are required.**

The children (ages 2-12) will be divided into age groups and there will be "prize eggs & special treats".

View our calendar of upcoming events @ www.dallastownpost605.org

Come join in the fun!!!!

DALLASTOWN
AMERICAN LEGION
POST 605
57 W. MAIN STREET

YORK REGIONAL EMERGENCY MEDICAL SERVICES

**Community Centered
Community Driven**

P.O. Box 485
Dallastown, Pa. 17313

**Our care is Driven and Centered around our
Community.**

Are you a current subscriber with York Regional Emergency Medical Services? It covers 12 months for \$35 an individual or \$50 for a household. A subscription could save you hundreds of dollars if you were to become ill or injured and need to be taken to a local hospital.

Rarely do insurance companies, including Medicare, pay the entire emergency medical care and transport bill. By becoming a subscriber, we will not bill you for any unpaid balance after insurance.

For further information about our subscription program contact Darcy @ (717) 246-3679

admin@yorkregionalems.org or go to our website and subscribe. www.yorkregionalems.org

WILDLIFE CONTROL

It's that time of year for those pesky creatures to be invading our backyards again. If you aren't a fan of skunks, or raccoons or opossums, and would like to get rid of them, call **Ellis Wildlife Control**. They are a reliable, family owned business with over 30 years' experience and are fully licensed in Pennsylvania to remove and control wildlife year round. They even offer a senior citizen discount. Check out their website at www.elliswildlifecontrol.com. There is a whole list of wildlife they will help you with. Ellis Wildlife Control is located in Manchester and you can contact them either at (717) 266-1712 or ewildlifecontrol@gmail.com.

147 S. Charles St., Red Lion, PA 17356

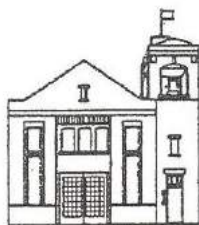

KBL provides free educational opportunities to all. We encourage families to participate in our ongoing reading rewards programs such as 1000 Books before Kindergarten, Grade One at the Library (GOAL), and Summer Quest. We offer children the following regularly scheduled online classes, where literature is used to teach the foundations of reading & learning.

- Every Tuesday, at 10:00 am we offer Baby-Toddler Time for those ages birth to 3 years.
- Every Wednesday, at 10:00 am, we offer Preschool Storytime for those ages 3-6 years.
- Every Thursday, at 10:00 am, we offer our award-winning Sensory Storytime co-facilitated with trained therapists from Connections Early Intervention and Services. Registration is required to attend.

In addition to these regularly scheduled Storytime's, we offer weekly take & make crafts, online LEGO challenges, cooking classes, and more! We also offer programs for teens and adults as well. To see our full schedule, please visit us on the web at yorklibraries.org/events.

The Dallastown Historical Society

118 E. Main Street
Dallastown

The Dallastown Historical Society and Dallastown Borough would like to recognize Ean Dudley and Colin Loughlin, seniors at Dallastown Area High School, for their help with the Dallastown Covid 19 20/20 Insight Project. Using their computer skills, they set up a Google Sheets format to record community responses. They also prepared a comparison of the potential options for a Historical Society website, and initial pages for that site. Their work on this project provides a set of clear instructions of all work completed to serve as a reference for DAHS students who follow, to assist the Society in future projects. Thank you, Ean and Colin.

SWIFT911 is a new way for the borough to contact all of our residents and water subscribers at any given time in case of an emergency such as water main breaks in your area, snow emergencies, hydrant flushing, etc. We are in the set-up process and need your help by providing your contact information. Signing up on **SWIFT911** is free, quick and easy, plus very helpful for both you and the borough. You can sign up using the borough website (dallastownboro.com) or by using the form below. The forms are also located at the Borough Office. Any questions, please call the Dallastown Borough office or email jarod@dallastownboro.com.

Thank You!

The Dallastown Lions **Club**

CHICKEN BBQ DINNER

On Saturday, June 5th, 2021, the Dallastown Lions Club will be sponsoring a chicken barbeque dinner sale. You must pre-order dinners by calling Lion Bob Schmuck at (717) 244-5906 or Lion Mike Craley at (717) 880-5052 before Tuesday, May 25th, 2021. Orders must be picked up at The Dallastown Lion's Park between the hours of 12:00 pm and 12:30 pm.

For only \$9.00, the meals include ½ BBQ Chicken, Baked Potato, Applesauce, Roll and Butter, and Dessert.

Proceeds benefit programs for the sight impaired, community organizations and the Dallastown Lions Park.

WELLSPAN - YORK HOSPITAL MOBILE PLAYROOM

(Zone Chair Lion Theresa A. Craley and Aimee Friedrich, MSN, RN, CPN – Pediatric Nurse Manager, WellSpan – York Hospital)

Pennsylvania Lions Service Foundation and Lions Zone 4-B, District 14-C partnered to be able to donate \$2,200.00 for WellSpan – York Hospital's Pediatric Department to purchase a "Mobile Playroom" for children who are staying with the hospital while they are recovering from illness.

Well Span – York Hospital's Pediatric Department was displaced because the hospital needed their room for COVID 19 patients. The department had to leave all toys behind and locked away. This new Mobile Playroom will give the department the ability to have toys for the ill children during their stay at the hospital.

Thanks to the Pennsylvania Service Foundation for their grant and the generous contributions from the Dallastown Lions Club, Dallastown Leo Club, Jacobus Lions Club, Jacobus Lioness Club, New Freedom Lions Club, Shrewsbury Area Centennial Lions Club, Susquehannock Leo Club, and the Stewartstown Lions Club, this Mobile Playroom can be a reality! Thanks also to Jessica Herrold, Child Life Specialist

& Reach Out and Read Coordinator and Aimee Friedrich, MSN, RN, CPN, Pediatric Nurse Manager, both of WellSpan – York Hospital for all of their work toward this amazing project!

COMING SOON TO THE DALLASTOWN LIONS CLUB COMMUNITY PARK

Last year the Dallastown Lions Club, the Dallastown American Legion, Post 605, and the Pennsylvania Lions Foundation, completed an amazing project at the Dallastown Lions Club Community Park! A brand-new playground area to serve children 2 to 5 years of age was installed in the spring with the special needs of handicapped children in mind. Handicap access to the playground has been installed along with an autism/handicap swing and a sensory station for those who are sight impaired or wish to learn braille. Along with this project was the completion of a brand-new regulation sized horse-shoe pit for renters and visitors to enjoy.

Now the Dallastown Lions Club, the Dallastown American Legion, Post 605, Duncan Weber, who is a boy scout and is working on his Eagle Scout Award with his Troup, the Dallastown Area Senior High School Leo Club, and the Dallastown Area Senior High School MCJROTC cadets and leadership will be building a bridge for easier access to our nature walking trail.

New benches have been received over the winter through a wonderful recycling program with Trex. Many local non-profit organizations donated plastic for these benches. They include; Dallastown Lions Club, Dallastown Area Senior High School Leo Club, Dallastown Area Senior High School MCJROTC, Dallastown Area Cougar Association, Zone 4-B Lions, Bethlehem United Methodist Church, White Rose Friends of NRA, Nell's Market Fresh Foods, and Jerry's Great Value! Thanks to all of these amazing organizations, we have 9 new benches to install this spring.

Come out and see for yourself the new and improved Dallastown Lions Club Community Park and consider renting our facility for your next family gathering, reunion, or party!

*Provides a spiritual atmosphere in which children may come to an early understanding of God and all things sacred.

SENIOR NEWS.....

APPRISE

APPRISE is the Pennsylvania State Health Insurance Assistance Program. APPRISE volunteers are specially trained to answer your questions about Medicare, Medicaid, Medigap, prescription drugs, preventive care, and to assist you with your paperwork. The counselors have direct access to State and Federal Medicare information and resources.

Currently, all appointments are being conducted over the phone or virtually.

Call the York County Area Agency on Aging at (717) 771-9008 or (800) 632-9073.

FROM YORK COUNTY AREA AGENCY ON AGING.....

DO YOU HAVE CONCERNS ABOUT FALLING?

The York County Area Agency on Aging will be offering classes for people to learn how to manage the risk of falling and increase activity levels. The free classes are part of an award-winning series called "A Matter of Balance".

A matter of Balance is meant for people who have concerns about falling, have fallen in the past, have restricted their activities because of falling concerns or are interested in improving balance, flexibility and strength.

The program emphasizes practical strategies to manage falls. For more information or to pre-register for the classes at (717) 771-9610.

RENT-A-KID

The Rent-A-Kid program, sponsored by the York County Area Agency on Aging (YCAAA), is a unique, intergenerational program bringing senior citizens and teenagers together. York County senior citizens, 60 years of age or older, who need help with household chores, odd jobs, and yard work are matched with a teenager in their area who can assist. The recommended payment is \$5.00 per hour, but is negotiable depending upon the job.

Don't wait – arrange for help with your chores BEFORE you need it. Call (717) 771-9103 or (800) 632-9073 for information on Rent-A-Kid participants in your area.

YORK COUNTY GOLDEN CONNECTIONS COMMUNITY CENTER

20-C GOTHAM PLACE RED LION PA 17356

(717) 244-7229

Kasie Ream, Director of Social Services
socialservices@gcccenter.com

WHAT DOES THE GOLDEN CONNECTIONS COMMUNITY CENTER OFFER?

Since our founding the goal of the Golden Connections Community Center has been to assist and empower the older adults of the Red Lion and Dallastown Area to remain part of a thriving community environment for as long as they are willing and able. The GCCC offers a wide range of free services and programs to seniors age 60 and above. Activities include those that respond to the social, cultural, economic, emotional, and physical needs of the older adult, thus encouraging independence, stimulating growth, alleviating loneliness, and providing volunteer opportunities. Counseling, referral services, and provision of home delivered and congregate meals are also an important part of our mission.

You can come visit the Golden Connections Community Center Monday thru Friday from 8:30 am to 2:30 pm or visit our website at www.gcccenter.com.

Are you a veteran or do you know any veterans? rabbittransit partners with 3P Ride, a non-profit organization, to offer various types of veteran transportation. One program offers transportation to local VA hospitals. This service is offered Monday through Friday and is no cost to veterans within Adams, Columbia, Cumberland, Dauphin, Montour and York Counties. For this program, veterans are encouraged to complete a basic application for shared ride service. Shared ride service aids in supplementing additional rider transportation options such as local medical, pharmacy, socialization or grocery trips and allows more veterans the opportunity to ride. Veterans should call (800) 632-9063 and press option 4.

Another service offered for veterans is a transportation program to help with employment opportunities. Veterans may obtain an 11-Ride Pass for the fixed route systems in these counties to attend job interviews. Once a job has been secured, a monthly pass is provided for four months. The cost will be applied in a step-down fashion. All vehicles are ADA accessible. For more information on the veteran's employment transportation program, call (717) 846-5562, ext. 1630 or email vets@3P-Ride.org.

HAWAIIAN CHICKEN KABOBS

INGREDIENTS

- 1/4 cup soy sauce (or tamari)
- 1/4 cup canned pineapple juice
- 3 tablespoons honey (or brown sugar)
- 2 tablespoons sesame oil 1 1/2 teaspoon garlic powder
- 1/4 teaspoon ground ginger
- 1/4 teaspoon salt
- 1/4 teaspoon ground black pepper
- 1/4 cup cold water whisked
- 1 tablespoon corn starch
- 4 boneless, skinless chicken breasts, trimmed and cut into 1 1/2-inch pieces
- 3-4 bell peppers, cut into 1 1/2-inch pieces (colors of your choice)
- 1 large red onion, cut into 1 1/2-inch pieces
- 2 cups pineapple chunks
- 1-2 tablespoons olive oil (or more sesame oil)
- oil or grill cooking spray for grill grates

INSTRUCTIONS

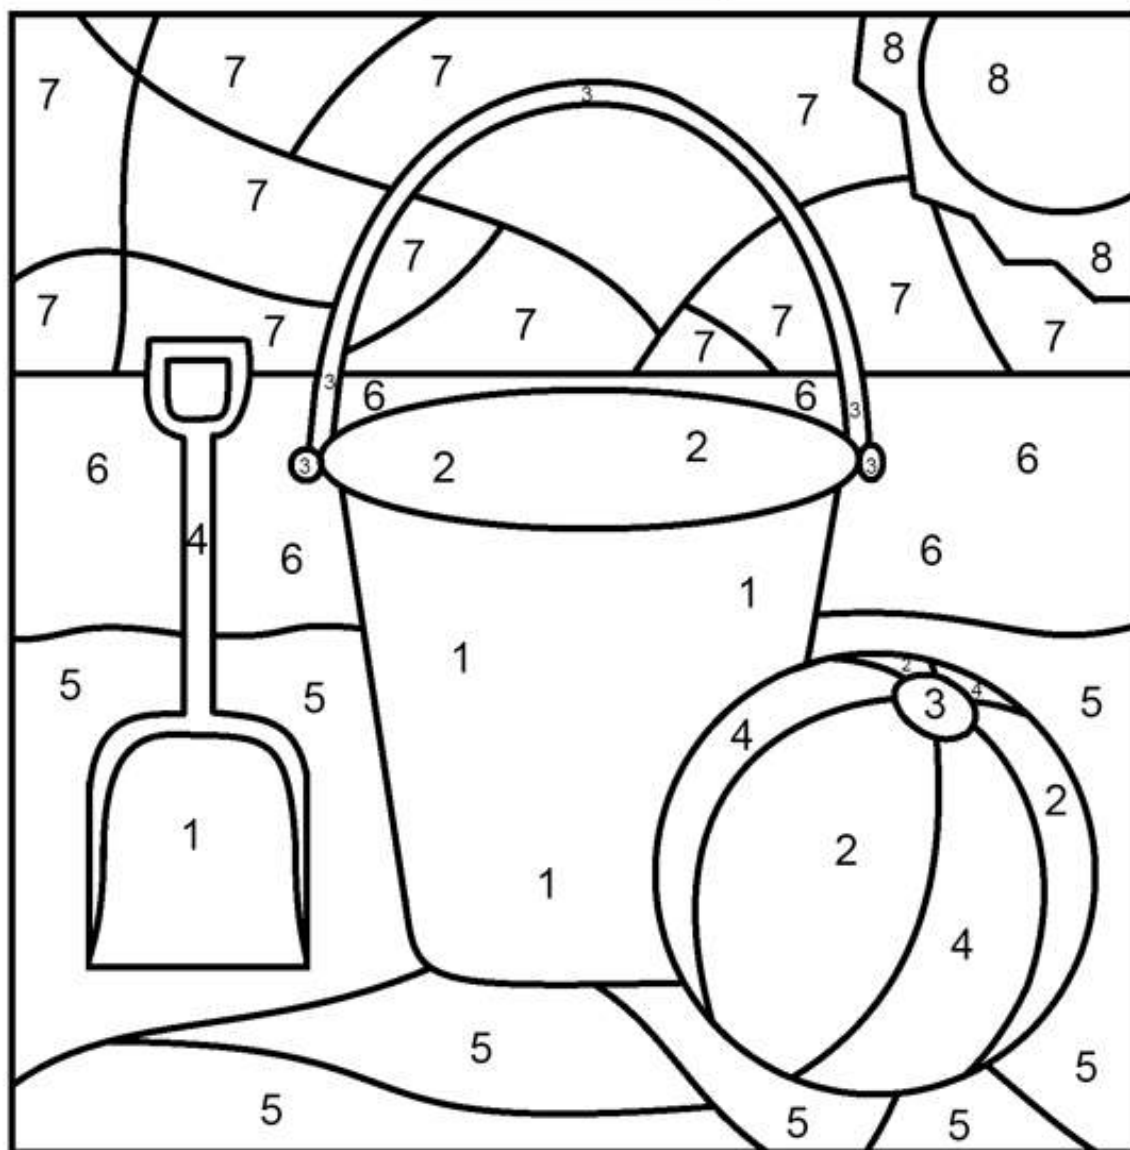

1. Create marinade* in a small sauce pan over medium heat by whisking together soy sauce, pineapple juice, honey, sesame oil, garlic powder, ground ginger, salt and pepper. Bring to a simmer. Separately, whisk together cold water and corn starch until combined. Slowly stream cornstarch mixture into marinade. Whisk all together. Return to a simmer; allow to simmer, whisking occasionally, for 3-4 minutes until marinade thickens. Remove from heat. Set aside.
2. Place diced chicken in a large plastic zip-top bag or bowl. Add half of marinade; toss to coat chicken. Seal/cover chicken; refrigerate at least 1 hour up to 4 hours.
3. If using wooden skewers, soak in water for at least 30 minutes.
4. Preheat grill to medium heat.**
5. Alternately thread chicken, peppers, onion and pineapple onto skewers. Brush olive oil on vegetables.
6. Oil grill grate. Place kabobs on grill over medium heat. Grill, turning every 4-5 minutes and basting with remaining marinade until chicken is done; about 15-20 minutes.
