## **WELCOME TO THE DALLASTOWN NEWSLETTER FOR THE SPRING & SUMMER OF 2019!!**

Dallastown has been my home for many years, and I just want to say “welcome” to any of you who are new to our little town as well as “hello” to those of you who are long-timers. As I type this letter, it is still winter. Looking at the snow on the ground, I’m longing for spring and warmer weather. It seems like winter gets longer every year!

Dallastown Borough has a wonderful small town feel which all of our Council members and employees would like to see continue. In order to make that happen, we need help from all of you. With Spring & Summer comes green grass & flowers, but along with that goes mowing & gardening. Don’t forget to keep the grass & weeds out of the sidewalks. With your help, we can make our town glow!

Beginning in the spring, there will be a street project starting on West Maple. We ask for your patience with this temporary disruption. Our road crew works very hard to keep the Borough streets in as good shape as possible. The cost of resurfacing is very expensive, so it takes quite a while to get it accomplished throughout the Borough without raising taxes.

Our Council works very hard to keep our taxes as low as possible and we all work together to make that happen. I’m saddened that we almost never have anyone attend the Council meetings to see how our/your Council works for the good of the Borough. Another hard working group is the Borough Office staff, who keep our town running smoothly. Please understand that they have State & Federal guidelines to follow.

Finally, you, as a resident of Dallastown Borough, are the most important commodity in keeping our town safe. Please be willing to call the police whenever you see something suspicious happening. Don’t wait until the next day, do it as the incident is occurring. Also, be willing to testify if necessary.....this is your safety we are talking about.

I wish you all a very safe and happy Spring & Summer!

Mayor Terry L. Meyers, Sr.

### ***Ordinance Update: Parking is prohibited on the lawn or landscaped areas.***

By Ordinance # 591, Dallastown Borough Code Section 212-12-22.1 it is now unlawful to park a vehicle on a lawn or landscaped area, including private property. This has come about due to the increasing demand of awareness for stormwater runoff and management. In Dallastown Borough, vehicles may now only be parked on a stone, concrete, or a macadam pad. Vehicles may only be parked on the lawn or landscaped area when they are being washed.

Any questions about the new ordinance or any ordinance updates can be made by calling the Borough’s zoning and codes officer. Thank you for your cooperation with this addition to the code!

# When It Rains, It Drains

Understanding Storm Water  
and How It can Affect  
Your Money, Safety, Health,  
and the Environment

## What is Stormwater?

Stormwater is the precipitation that flows across the ground after it rains or when snow and ice melt.

Stormwater can become an issue as it picks up debris, dirt, and chemicals when it flows. It can also cause flooding that erodes stream banks. This polluted stormwater is collected in our storm sewer systems which are made up of pipes and roadside ditches. All of the stormwater collected eventually makes it to our streams, lakes, and wetlands. Since stormwater is not treated, the pollutants that have been collected make it back into our waters!

## What can we do to help?

- Properly dispose of hazardous waste, and never put them down the storm sewer drain
- Pick up after pets and dispose of their waste properly
- Use pesticides, fertilizers, and herbicides properly as to not create excess runoff
- Install residential stormwater systems such as rain gardens or rain barrels that keep the stormwater on site and not into the storm sewer system

## CHRISTMAS IN DALLASTOWN

It's hard to believe Christmas in Dallastown has been around for 10 years already! The 2018 event was bigger & better than ever!!

It was a beautiful day for everyone to get out and begin their Christmas shopping. Even Santa & his Elf were seen hanging around town giving out candy canes!

There were 7 large craft vendor sites that were filled to the gills with table upon table of wonderful items. So much to choose from!! Plus 15 of the local businesses also participated with refreshments and specials. We want to thank all the vendors who were so gracious in donating items for our Map Stamping game. We were able to fill numerous bags with all kinds of goodies! The winners of the drawing were Debbie McGuire, Bonnie Stine, Maria Ellis, Karen Sheldon, Diana Lane, Susan Becker, Amanda McDaniel, Victoria Bachtel, Savannah Garrett, Dana Muskett, Anne Saylor, Doug Cherry, Samantha Edmisten, Carol Galloway, Amanda Ferree, Arielle Wilson, Nicole McGuire, Missy Joines & Stacy Smith.

There was a huge variety of food at the different sites, plus we also tried something new this year and had food trucks on the square at HX Lighting. The trucks that participated were Lucky Spot, Shorty's Funnel Cakes, Kona Cocoa & Auntie Anne's Pretzels. The feedback we received about the food trucks was all positive, so look for them again at this year's event!

If you like the event and would like to get involved, please call the Dallastown Borough Office at 717-244-6626.

## TREE LIGHTING & PARTY WITH SANTA

The annual Tree Lighting was cancelled this past November due to heavy rain.

However, Santa still flew in from the North Pole to visit us at the Fire Hall. The rain didn't seem to put a damper on the party!

This year's entertainment was "Silly Goose & Val". Val Smalkin is a ventriloquist, musician, composer, and performer from Baltimore, MD. Everyone enjoyed her so much in 2017, we decided to invite her back. As always, she got everyone involved.

also received a chance to win one of five larger gifts.

We also had our annual

coloring contest. The contestants were broken down into 3 age groups and the winners received a \$5.00 McDonald's Gift Card.

This year's winners were:

2-4 year olds – Kyleigh Frock & Mackenzie Carroll

5-7 year olds – Maddie Debowes & Carter Carroll

## DALLASTOWN LIONS CLUB

**Congratulations!**

### 85<sup>TH</sup> ANNIVERSARY!!!

The Dallastown Lions Club is celebrating 85 years of service this year! Over the years the Lions have acquired Lions Community Park on Lions Drive across from the Dallastown Area Senior High School. This park has been used over the years by the school district for various classes, the Cougars for baseball, Bethlehem United Methodist Church summer program, and our community. Groups have also rented the park for family reunions, graduation parties, baby showers, and a host of other family events.

The Lions have served our community by putting up the Christmas Lights in the Borough of Dallastown, delivering Christmas Food Baskets to the needy in our area alongside our Leos and our MCJROTC cadets, and providing pies and support to the Life Path Christian Ministries in York. The Lions Eye Screening Project is available to screen children ages 6 months to 6 years. The Lions have screened children at Bethlehem United Methodist Church Preschool, Christ Lutheran Church Preschool, and at our local Kaltreider-Benfer Library last summer.

In the winter months, the Lions meet on the second and fourth Tuesdays at Common Grounds Cafe, operated by Jenn Stein, a wonderful restaurant located in the Bethlehem United Methodist Church on East Main Street in Dallastown. They meet at the park in the summer months. Over the years the Lions have provided eye glasses and hearing aids to our residents who cannot afford them. They also gave support to anyone in need and are looking forward to continuing to serve the community for another 85 years.

### RENT DALLASTOWN LIONS COMMUNITY PARK

### Healthy Steps for Older Adults

The York County Area Agency on Aging is welcoming back *Healthy Steps for Older Adults*, an evidence-based program that reduces fall risks among older adults by raising awareness about the causes of falls and how to prevent them.

Participants will learn how to exercise safely at home and be offered information on ways to improve their health and well-being. Discussions will include home and medication safety, as well as appropriate foot care/foot wear.

The program is open to the public and will be held at **September House Senior Center**, 1251 West King Street, West York Borough. ## WE'RE EXCITED TO ANNOUNCE FIRST CAPITAL EMS!

First Capital EMS is a management company that is consolidating the services and personnel of Grantley Fire & EMS, West York Ambulance and York Regional EMS organizations.

Through grant funding provided by the York County Community Foundation, First Capital EMS has been able to combine these three non-profit EMS organizations into a newly formed entity that improves services to our York community. This effort will contribute to a more sustainable EMS service with a wider range of highly-skilled Paramedics and Emergency Medical Technicians to assist the region's changing emergency needs.

This collaboration allows these organizations to plan for the future while placing the emergency medical needs of the York community first. This cooperative effort will optimize service, help contain expenses and create new employment opportunities.

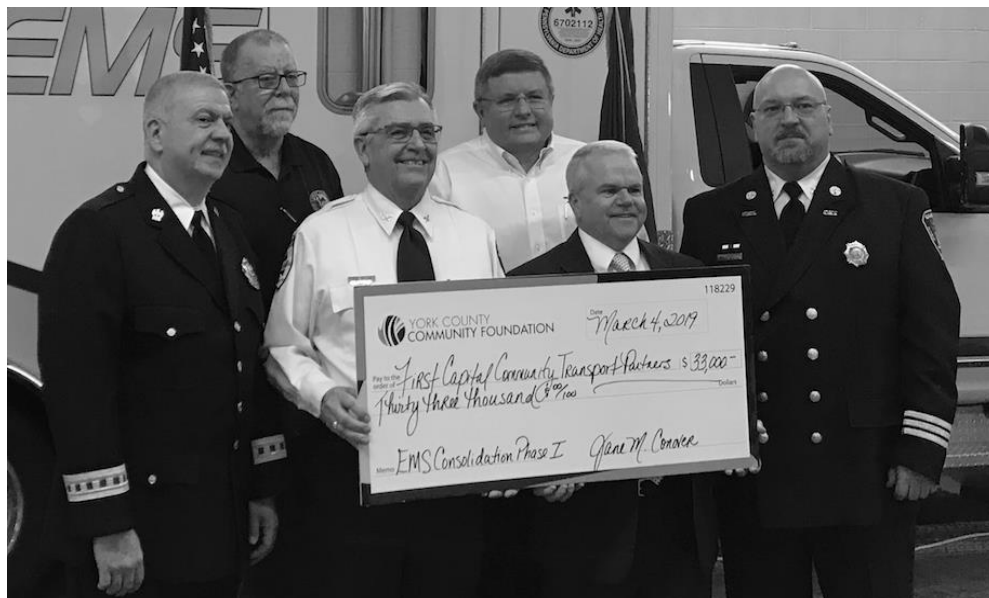

As mission-driven organizations, focused on the well-being of our neighbors, we will continue to be community-centric with our primary focus on our patients and the ability to create a sustainable and affordable service for those that we serve.

As we finalize the combining of our organizations, there will be no disruption to service. Each will continue to operate under their current name and in their current response areas as our collaboration progresses.

Your subscription will continue to be serviced with no disruption. Please call (717) 246-3679 with any questions. Office hours Monday – Friday 8am – 4pm.

Additional updates may be obtained at [www.FirstCapitalEMS.org](http://www.FirstCapitalEMS.org).
