

YORK COUNTY WEATHERIZATION PROGRAM
 28 E MARKET ST 3RD FL
 YORK PA 17401
 717-771-9870, OPTION 1

WHAT IS WEATHERIZATION?

The Weatherization Program helps people with limited income lower their fuel bills, save energy and have a more comfortable home.

WEATHERIZATION = INCREASED COMFORT

- Work is done free of charge for eligible households.
- Specially trained workers make specified repairs to your home so that it becomes more efficient to reduce your heating and electric bills.
- Services include attic and basement insulation, water heater and pipe insulation, window and door weather-stripping, caulking and broken glass replacement.
- Also as part of the Weatherization Program, your furnace and water heater are tested for efficiency and safety.
- Additionally, we provide education on ways you can save and use energy wisely.

INCOME QUALIFICATIONS

Any York County homeowner or tenant whose income falls below the following guidelines:

# of Persons	1	2	3	4	5	6	7	8
Yearly Income	\$27,180	\$36,620	\$46,060	\$55,500	\$64,940	\$74,380	\$83,820	\$93,260

WHY APPLY?

We all need to conserve energy, and it's very helpful to be able to save money at the same time. Weatherization can do both while helping to make your home warmer in winter and cooler in the summer.

WHO PAYS FOR THIS?

The state and federal government through the Department of Energy and the Department of Health and Human Services and the County of York through the York County Planning Commission.

WHAT'S THE CATCH?

There isn't any. The Weatherization Program has offered these services since 1972 and more than 10,000 families have benefited from the program. Homes that have been previously serviced may not eligible for re-service.

HOW DO I APPLY?

Call the York County Planning Commission at 717-771-9870 and choose Option 1 for Weatherization.
