AGENDA

September 11, 2024
7:00PM

I MEETING CALLED TO ORDER

II PLEDGE OF ALLEGIANCE

III ACTION ON 8/21/2024 MEETING MINUTES

IV VISITORS

V ENGINEER'S REPORT

- SR0074 (Hardees) Interconnect Project: Construction of this project is nearing its completion as the vault has been set and the majority of underground piping has been installed. The interconnections to the existing transmission main is scheduled to be performed on September 9th. We have assisted in attending the PA DEP pre-installation inspection, providing guidance on disinfection procedures and sample collection, and plan to submit the Post-Construction Certification and bacteria sample results to PA DEP following the completion of all work.
- CFA Local Share Account – Statewide Program: Grant applications for the CFA LSA Program opened on September 1st and will be received by CFA through November 30, 2024. This program supports projects in the public interest that improve the quality of life and may be a source of funding for any improvements or water main replacement projects desired to be performed by the Authority. We would be pleased to work with the Staff to identify potential projects to submit for a funding request, should the Authority desire to consider this program.
