From the Desk of Mayor Meyers.....

I just want to say hello to all of our citizens in Dallastown! I hope you had a very good year so far! As I write this there is snow in my backyard again. We have not had a deep snow yet, but it has stayed around for longer than usual.

It has not been an eventful year so far and we can hope it stays that way. But, as always, remember to clean your sidewalks of snow and ice to prevent injuries to the people using them.

There are always many items of interest that you can view on are webpage and Facebook page so keep a lookout for the upcoming events during the spring and summer.

As you may know the York Area Regional Police have combined with the Northeastern Regional Police and have changed their name to the York County Regional Police. However, there will be no change on how to contact the department. You will still call 911 and ask for the new department name. We are hoping the new department will be even better with the merge.

As always be good neighbors, and if you see anything suspicious, call the police as that is why they are there. Keep your vehicles locked and don't leave anything laying out in the open. You should also keep your home locked, even when you are home, so that no one can enter without you knowing about it.

If there is anything that I can do to assist you, please call the office and I will try to help you in any way that I can. The Borough Office has new hours 7:30 am to 4 pm, Monday thru Friday.

I hope your spring and summer will be a happy and safe season for you.

Mayor, Terry L. Meyers, Sr.

Independence Day: Monday pick up shifts to Tuesday and Thursday pick up shifts to Friday.

BOROUGH NEWS.....

FLUSHING: The Dallastown-Yoe Water Authority will begin flushing hydrants on May 2nd. Please be aware that some discoloration of the water may occur, and you may be without water for short periods of time during the flushing procedure. **Make sure your water is not discolored before doing laundry.**

STREET SWEEPING: Borough Maintenance will be starting the street sweeping on Monday, April 4th and should be finishing by Thursday, April 14th depending on the weather. Please have your sidewalks cleaned before street sweeping begins. Thank you!

POTHoles:

With the harsh winter that we've had, it's almost a guarantee that there will be potholes throughout the Borough. If you happen to discover any that Borough Maintenance has not, please contact the Borough Office at 244-6626. Thanks so much for your help!

STREET LIGHTS:

If you happen to see a street light that is out or not functioning properly, please contact the Borough Office. We are not always around at night to see the problems firsthand, so any help would be greatly appreciated.

TAX COLLECTOR:

Linda Shaub, the Dallastown Borough Tax Collector will be at the Borough Office on Thursday, April 14th from 10:00 am to 12:00 pm and Monday, April 18th from noon to 2:00 pm. She will be located in the Council Room to the rear of the building. Please enter thru the double glass doors on the side of the building.

PET OWNERS: When walking your pets, please be responsible and clean up after them. Thank you!

RENTAL UNITS: All residential rental units must be registered and inspected by the Borough.

VEHICLES: All vehicles parked outside of an enclosed structure (garage) shall be current with both inspection & registration, shall not have flat tires or be dismantled and must be operable.

POOLS: All Pools (temporary or permanent) capable of holding 24 inches of water or more, must meet the building code regulations of Dallastown Borough. Please fill out the building permit application prior to setting up your pool.

TREES & SHRUBS OVERHANGING THE STREETS & SIDEWALKS:

Trees that are overhanging streets & sidewalks should be trimmed up about 15 feet. Bushes & shrubs growing out into the streets & sidewalks should be trimmed away from the right-of-way.

GRASS GROWING IN THE CURBS & SIDEWALKS:

The sidewalks adjacent to your property are yours to maintain. Grass & weeds are to be removed from curbing & sidewalks, including where the curb joins the street, and around utility poles & traffic signs. Help Dallastown Borough keep its small-town charm by removing the weeds from your sidewalks. Kindly refrain from discharging grass clippings into the streets or on the sidewalks.

GRASS GROWING IN EXCESS OF 8 INCHES ON YOUR PROPERTY:

Grass & other vegetation shall be maintained to a height of no more than 8 inches on your property. Poison ivy and other nuisance "weeds" shall be removed as well.

If your property falls into a non-compliance state, a violation letter will be sent by certified mail to the owner or tenants who reside on the property. If the nuisances still exist, a non-traffic citation will be issued each day the property is in non-compliance.

YARD SALE PERMIT: A permit is required, per

Dallastown Borough Ordinance. You may stop into the Borough office at 175 E. Broad St. to purchase a permit, the cost is \$10.00.

Penn Waste would like to issue a reminder to residents in south central Pennsylvania that pool chemicals should NOT be disposed of in your curbside trash and recycling bins. Pool chemicals are considered hazardous waste and need to be disposed of properly.

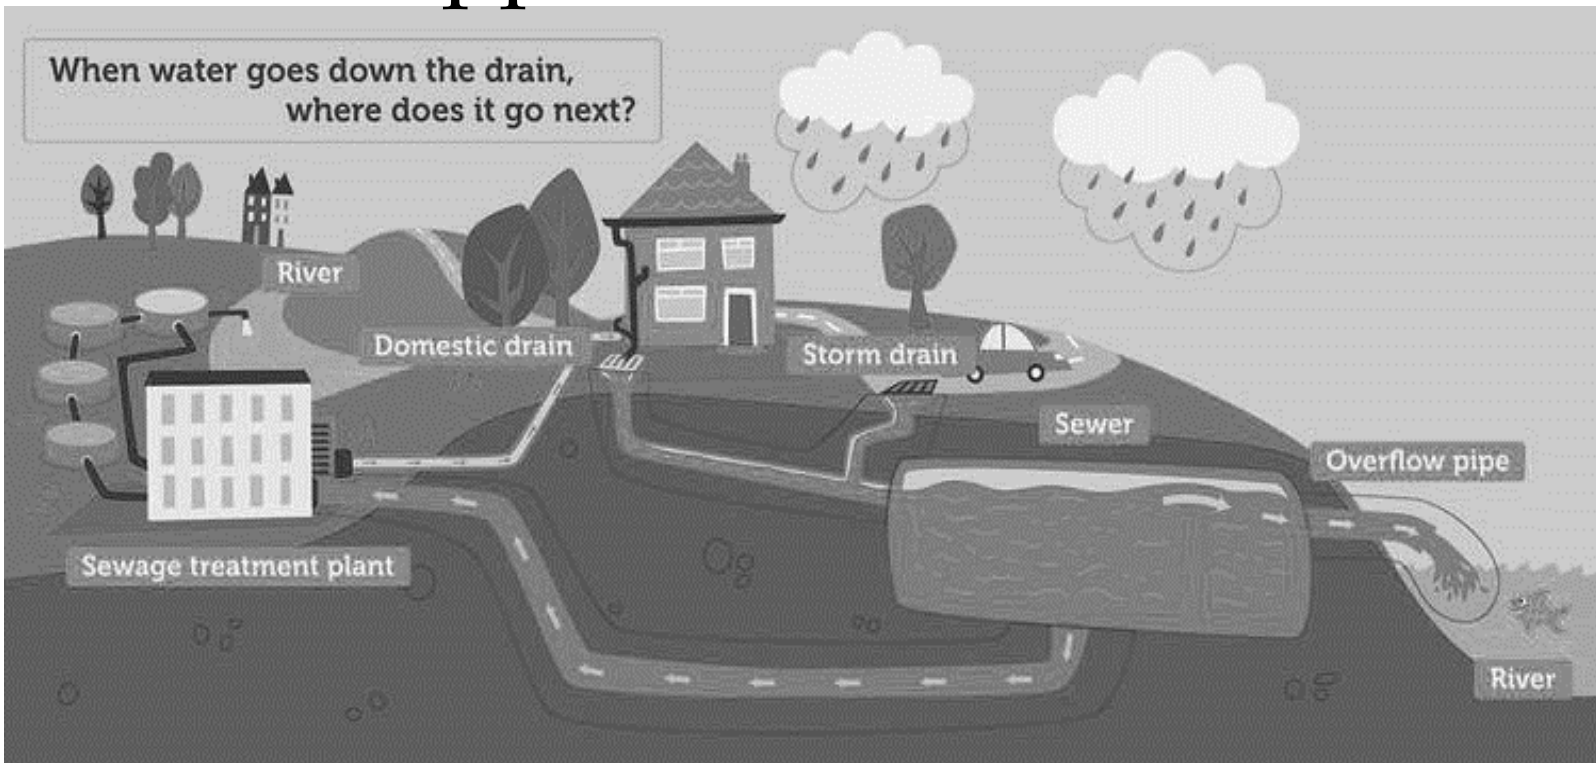

The Solution

Here are several options for getting rid of pool chemicals:

- Take them to a facility that handles hazardous waste. Make sure you check with your local solid waste authority to see if they accept pool chemicals prior to arriving.
- York County Solid Waste Authority
- Check with the pool store you originally bought them from to see if they have a disposal method.
- Donate them to a community pool or your neighbors who have pools.
- Shock your pool by dumping the left over pool chemicals in before you close it for the season.

We appreciate your help in keeping our team members safe!

What happens when it rains?

This illustration can show why stormwater management is very beneficial to the Dallastown Borough, Pennsylvania and the environment as a whole.

If stormwater has become polluted; oil from your car, chemicals on the lawn, trash in the sewer inlets, washing vehicles on the street, etc., it will eventually make its way back into our drinking water!

We can help by:

- cleaning up after our pets
- washing our vehicles on the lawn
- Repair leaking vehicles
- Installing a rain barrel on your property
- Cleaning up loose trash
- Educating ourselves on best stormwater management practices

With education and properly installed stormwater management systems on our public roads or your private property, we can help with eliminating the pollution that we produce every day!

DALLASTOWN EMA NEWS

As we approach the spring/summer season, keep in mind...how prepared are you? Do you have your “Go Bag” packed? If you need a copy of the list for your bag, they are available at the Borough office. Also, make sure all family members have an ICE (in case of emergency) contact in their mobile devices, and know your shelter location. It is very important to make sure all family members know how to dial 911 when there is a life threatening emergency. Checking on your neighbors is always a good idea too. And don’t forget your furry family members.....they also need a “Go Bag” and shelter placement along with a contact list including the veterinarian.

Not only do we need to worry about the preparation of our residential community, but also our community businesses need to ask themselves.....how prepared are we? What is your “Ready to Go Plan”? Check out Homeland Security’s website at www.ready.gov for business toolkits. The link is “Business Emergency Preparedness Social Media Toolkit”. Get your employees involved in putting your plan in place.

If you are interested in preparedness training you can contact the Borough Office at 717-244-6626. Training is free. Appointments can be made for me to come to your residence, business, school or daycare.

All of our work is volunteer and very rewarding.

COMMUNITY

Our Officers and Staff are proud to announce the beginning of a new era of service and policing for the communities we serve. We have been working hard to increase our efficiency and efficacy by coordinating efforts and merging with other professional and successful police agencies in York County. As of January 1st of 2022, we have been serving as a new department. The York Area Regional Police and the Northeastern Regional Police have combined to serve together as the York County Regional Police Department. You will notice new patches, designs and graphics on our uniforms and vehicles but the service we provide will be seamless. We are happy to announce that this collaboration has not resulted in the loss of a single job, therefore the officers and staff who know the community the best, will continue to serve.

EMPLOYMENT

If you or someone you know are interested in a career in Policing, please visit www.yorkpolicejobs.org for employment opportunities across York County.

WELCOME OFFICERS

The Police Department welcomes the following Northeastern officers. Deputy Chief Bryan Rizzo, Sgt. Art Archambeault, Sgt. Corey Sheaffer, Det. John Bumsted, Det. Shawn Wilson, Ofc. Scott George, Ofc. Shaun Goodman, Ofc. Greg Bowers, Ofc. David Cavanaugh, Ofc. Jessica Culton, Ofc. Sean Sullivan and Ofc. Chris Tenney.

WEATHER

We made it through the winter with the frozen icy roads, snow, sleet, and low visibility. However, the Spring and Summer weather with intense sunlight, combined with heavy traffic volumes and busy lifestyles can create the perfect environment for warm weather motor vehicle accidents. Please slow down and be prepared for a crash or mechanical breakdown. A few bottles of water stored in your vehicle can make a big difference in the heat.

SCHOOL BUSSES

Be alert for stopped school busses, the kids are almost finished this year, and we want to make sure they arrive safely every day.

COOPERATION

Quality police service is directly enhanced by the cooperation and vigilance of the public. Keep an eye out for those things that “just don’t seem right.” Take note of unusual vehicles in your neighborhoods. Keep an eye on your neighbors’ homes while they are away. Be willing to cooperate with the criminal justice system if you happen to become a witness or victim of a crime. Report issues or concerns to an officer. Sometimes the small details can be the missing piece of the puzzle that can break a case. Remember, you can remain anonymous while still providing vital information to the police.

CAMERA REGISTRY

Turn Your Camera into a Crime Fighting Tool. Help us in preventing and solving crime using your security camera. It is simple, if an incident occurs near your device, we can identify and quickly request footage that may assist in an investigation. It is free, it's safe, and secure- at no time will the police have access to your camera without your permission.

If your device is within the York County Regional coverage area, please follow our link on [CRIMEWATCH](#).

K9

K9 “Tango” has been working hard. With numerous deployments and callouts by police departments in the region, he has contributed to several arrests. “Tango” is an electronics sniffing dog, “ESD” that was donated by Operation Underground Railroad. www.ourrescue.org. He is working with Officer Jesse Main to detect electronic devices that may be hiding child pornography. The team will be available to fight child abuse throughout York County and beyond. See www.electronicdetectionk9.com. Mini stuffed- animal “Tango” dogs will be available at the department for sale at \$20.00 each. The proceeds will directly benefit the K9 program.

NATIONAL NIGHT OUT

National Night Out will be held Tuesday, August 2nd at Dallastown Community Park starting at 5:00 pm. Once again the park will be filled with fun activities, crime prevention information, demonstrations and live entertainment.

CHRISTMAS IN DALLASTOWN

It's hard to believe Christmas in Dallastown has been around for 12 years already! The 2021 event was a hit!! It was a beautiful day for everyone to get out and begin their Christmas shopping.

There were 5 large craft vendor sites that were filled to the gills with table upon table of wonderful items. So much to choose from!! Plus 16 of the local businesses also participated with refreshments and specials. We want to thank all the vendors who were so gracious in donating items for our Map Stamping game. We were able to fill 20 bags with all kinds of goodies!

There was a huge variety of food at the different sites, plus we also had food trucks on the square at HX Lighting and along Main St. The trucks that participated were Pink'y BBQ LLC, Taco Bus, Mr. Bill's Seafood, Shorty's Funnel Cakes, Kona Cocoa, Bricker's French Fries & On My Grind Coffee.

If you like the event and would like to get involved, please call the Dallastown Borough Office at 717-244-6626.

TREE LIGHTING & PARTY WITH SANTA

Our 2021 Christmas Holiday Celebration started off with the Town Lighting Ceremony in front of the American Legion. Santa Claus arrived in front of the American Legion, on a fire truck from the Fire Company. The children made their way to the fire hall for the party with Santa.

The entertainment was "Before The End". A band of young local musicians who work with Rod Goelz & Weary Arts Group. The band had the kids up dancing and having a good old time.

Each child had a chance to sit on Santa's lap, plus received a candy cane & gift from the big guy. Every child also received a chance to win one of five larger gifts.

We also had our annual coloring contest. The contestants were broken down into 3 age groups and the winners received a \$5.00 McDonald's Gift Card.

This year's winners were:

2-4 year olds – Brett Dillon & Mya Eppley

5-7 year olds – Reagan Hughes & Oliver Cousler

8+ year olds – Cody Allen & Alexander Mong

Refreshments were in abundance and a good time was had by all!

Local transit authority, rabbittransit, is actively hiring due to a shortage in driver applicants over the past several months. Despite these challenges, rabbittransit continues to provide essential transportation to thousands of York County residents for employment, medical care and food access. rabbittransit partners with rabbitcares, a charitable organization, to offer a veterans employment transportation program. This program provides an 11-day fixed route pass for military veterans attending job interviews in Adams, Cumberland, Dauphin, Franklin and York Counties.

In addition, rabbittransit has served as a place of employment for veterans transitioning to the civilian workforce. Full-time and part-time driving positions are available, offering weekly pay with wage rates similar to E4 to E6 pay. Some driving positions require a CDL with passenger endorsement and air brake restriction lifted. Active-duty service members or veterans who have at least two years of experience operating a commercial motor vehicle as part of previous military job requirements may be eligible for a military CDL testing waiver. A CDL is not necessary for all driving positions that are open. However, if an applicant is interested in getting their CDL, rabbittransit sponsors CDL training programs for its employees.

For additional information on careers at rabbittransit or to apply online, visit www.rabbittransit.

11 WAYS TO CONSERVE WATER AT HOME

- 1. Run a full dishwasher instead of handwashing:** If you ditch handwashing and run full loads of dishes instead, you can save 7,000 gallons of water annually.
- 2. Compost to reduce disposal use:** Save water in both your kitchen and your lawn by composting kitchen scraps at home.
- 3. Steam rather than boil vegetables:** Steaming your vegetables saves water and makes your vegetables more nutrient-rich.
- 4. Soak rather than rinse your pots and pans:** For items too big or dirty to make it into the dishwasher, skip the rinse and soak them to remove food buildup and stains.
- 5. Take quick showers rather than baths:** Bad news for tub enthusiasts: a full bath uses up to 70 gallons of water. On the other hand, short showers can cut up to 45 gallons of that waste.
- 6. Turn off the faucet as you brush:** While brushing your teeth twice a day is important turning the faucet off during your teeth cleaning can save 10 gallons of water per day.
- 7. Install a high-efficiency toilet:** Older toilets use anywhere from 3.5 to 7 gallons of water per flush. If you're flushing 10 times a day, that's up to 70 gallons

of water per day from your toilet alone. Installing a high-efficiency toilet cuts this water use down to 1.28 gallons or less per flush.

- 8. Check pipes and appliances for leaks regularly:** Don't waste 105 gallons of water on leaky bathroom appliances. These appliances or pipes leaks are a major waste of water, and the worst part is that you're not aware you're using it.
- 9. Use cold water for your washes:** Ninety percent of energy during the laundry process is used heating the water. Opting for cold water whenever possible, will save on energy costs. Turning down your hot water tank is another good way to conserve energy: Try setting it to 120 degrees or lower.
- 10. Run full loads:** Resist the urge to run a laundry load when you have a few dirty items. Running full loads instead of half loads can save 3,400 gallons of water annually.
- 11. Upgrade your appliances:** A household saves \$380 per year by upgrading to Energy Star and/or Water Sense appliances. Take the laundry room, for example. Energy-efficient washers can save up to 7,000 gallons of water per year. High-efficiency water heaters use up to 50 percent less energy.

**THE
DALLASTOWN
HISTORICAL
SOCIETY**
118 E. Main Street
Dallastown

The Pennsylvania Historical and Museum Commission has awarded a Historical & Archival Records Care (HARC) Grant of \$10,000.00 to be shared by Dallastown Area Historical Society and Dallastown Borough. The partnership works well since both groups store records at the 118 East Main Street building. Grant funds will be used to purchase equipment and software to inventory and digitize historical documents, ephemera, photos, and maps in their respective collections. Students will be hired to assist with the project under supervision of board members. We are grateful to board member Rod Stump who provided valuable leadership in preparing and submitting the grant application.

Regular monthly Historical Society Museum Open Houses have resumed. Dates are posted on the marquee facing Main Street. Visit from 1 to 4 pm the first Sunday of each month. Browse our collections or chat with fellow visitors about Dallastown memories and mysteries. Guides are available to answer questions, assist with research, or accept new member applications. The Dallastown Historical Facebook page is another way to connect with others interested in Dallastown history.

Golden Connections Community Center Open House

The Golden Connections Community Center, located at 20 Gotham Place, Red Lion, PA, 17356, is excited to host an Open House/Health Fair on Thursday, June 9, 2022, from 9:30 am – 1:30 pm. The Community is invited to join us for the day to show case many of the center programs and services. Members of the community will be allowed to join us for a sample line dance class and cardio drum class. The Community will also have the opportunity to walk through a Health Fair, Senior Center Art Exhibit, and participate in the senior center Silent Auction. Music, Raffles, and 50/50 will also be on site. Bring your friends and family and enjoy the day with your local senior population.

Circus Dreams Art Residency

No matter what our age, most of us have a memory of the circus coming to town. There is something about the circus that draws us back every time and it's not a big secret, it's simple, the circus is fun. The Golden Connections Community Center is excited to announce a new Art Residency partnership with Artists Chris Tamburro, Jenny Hill, and the Cultural Alliance of York.

Staying active is important for health and learning circus technique will keep you moving and also a great way to keep our minds sharp. In this 14-week program you'll learn theatrical clowning, juggling, hooping, feats of balance, and poi spinning from circus artists Jenny Hill and Chris Tamburro. Participants will also create their own props to practice with and keep. The Circus Dreams Art Residency will bring us all together to learn something new and engaging through the spirit of play and collaboration. This inspiring circus experience culminates in a group sharing atmosphere that demonstrates the joy, dedication, and collaborative effort that is inherent in circus arts. We will finish out this circus experience with a show that will be open to the attendance of family, friends, and community members. We look forward to meeting you under the Big Top at Golden Connections Community Center! Contact Kasie Ream, Director of Social Services to register to attend this program. Be sure to wear comfortable clothing and shoes for movement. For the full circus experience, we recommend you attend all sessions. Sessions begin Wednesday, June 1, 2022, from 10:30 am – 12:00 pm and will run every Wednesday through Wednesday, August 17, 2022.

Meals on Wheels Drivers Needed!

Looking for a great volunteer opportunity in 2022? Do you want to make a positive difference in many seniors' lives?

Do you like putting smiles on people's faces?

If you're able to donate a few hours a month in the mornings, Meals on Wheels would be perfect for you! We desperately need caring volunteers to help deliver meals to our local seniors in the Red Lion area. These seniors rely on our services, as sometimes the only food they get is what we bring them. Volunteers are an integral part of this program. Without them, we couldn't provide these much needed services. For more information, please contact Ami Barnard, Meal Coordinator, at Golden Connections Community Center at 717-244-7229 or mealcoordinator@gcccenter.com

Rentals

Looking for a space to rent for your family reunion, baby shower, birthday party, or any other upcoming event you plan on throwing, then look no further. The Golden Connections Community Center offers space to rent for all types of events. You can rent our building, which offers two spacious rooms, and access to tables and chairs for only \$50.00 per hour. Dates fill quickly, so if you have need for a rental space, contact Kasie Ream, Director of Social Services, at 244-7229.

-The Golden Connections Community Center is in part funded by the York County Area on Aging-

RENT-A-KID

The Rent-A-Kid program, sponsored by the York County Area Agency on Aging (YCAAA), is a unique, intergenerational program bringing senior citizens and teenagers together. York County senior citizens, 60 years of age or older, who need help with household chores, odd jobs, and yard work are matched with a teenager in their area who can assist. The recommended payment is \$5.00 per hour, but is negotiable depending upon the job.

Don't wait – arrange for help with your chores BEFORE you need it. Call (717) 771-9103 or (800) 632-9073 for information on Rent-A-Kid participants in your area.

Fish live in the water and are vertebrate animals, which means that they have a spine. There are over 30,000 different kinds of fish, all of which have their own colors and sizes.

There are a few things that all fish have in common, though. Fish have gills that help them to breathe in the water, and they are covered in scales. These scales will usually get a layer of slime on them which helps the fish quickly glide through the water.
